A Blast From The Past!

At our June 10th meeting, **Steve Rubin** provided us with the picture below and challenged us to identify each person.

From your editor: I believe this is from the early 1990's. "I have five of them, I just don't remember who the tall guy is." Answers on Page 7.

Let us know if we got it right and if you know who the big guy is.

By the way, who still has their Orange Jacket? I have mine and it still fits!

Thank You!

AG Barr just called me and said to demonstrate full support for police and protection of a firm key to national security interests....he proposes an Executive Order making it a Class 1 felony to deface, vandalize, impede commerce or in any way interfere in free ingress or egress from any Dunkin Donuts.

---- Mark Scheinbaum

President Jay posed the following question at a recent meeting "Can you name all the places we as a club have met since first being chartered?"

Our club and Rotary are teaming up to work a Election Polling Station in Delray Beach. Means serious bucks for our clubs. Stay Tuned!

We are looking for someone to take on the Delray Affair chair for October 13-14. It's not difficult. Please step up and help. Thank you.

The "Golden" Years ...

(Submitted by Jay Alperin)

I know I shouldn't have done this, but I am 83 years old and I was in the McDonald's drive-through this morning and the young lady behind me leaned on her horn and started mouthing something because I was taking too long to place my order. So when I got to the first window I paid for her order along with my own. The cashier must have told her what I'd done, because as we moved up she leaned out her window and waved to me and mouthed "Thank you.", obviously embarrassed that I had repaid her rudeness with a kindness. When I got to the second window I showed them both receipts and took her food too. Now she has to go back to the end of the queue and start all over again,

Don't blow your horn at old people, they have been around a long time.

Carlene Laseter - Chairperson

Being Secretary of the Club

Barbara Schooler, our long time and trusted secretary of the club has notified us that she will be stepping down as of September 30, 2020.

So, we need someone to take over those duties. It is one of the most important jobs in our club. If we follow the Kiwanis guidelines, it may seem like a daunting task. But not really.

QUALIFICATIONS • Willing to learn and use Kiwanis online reporting • Able to discern and summarize action items and key points from meetings • Attentive to detail • Organized • Understands the importance of deadlines.

Basically, you are responsible for submitting our monthly report to Kiwanis International via online, maintain accurate membership records and order materials from time to time.

Please contact Scott Youngberg at 561-386-5237 if you want to help our club with these important duties.

Thank you.

Invite your friends to our Zoom Meetings.

Love being a Kiwanian. Love your club.

Share it with others. Live it.

Mindful Eating Part- 4

Tracking the link between
food and feeling

Eat in your usual way. Select the foods, amounts, and the times for eating that you normally do, only now add mindfulness to what you are doing.

Keep a record of all that you eat, including nibbles and snacks between meals. Don't kid yourself—you won't remember it all unless you write it all down or track it in an app!

Pay attention to your feelings—physical and emotional—five minutes after you have eaten; one hour after you have eaten; two or three hours after you have eaten.

Notice if there has been a shift or change as the result of eating. Do you feel better or worse than before you ate? Do you feel energized or tired? Alert or sluggish?

Keeping a record on your phone or in a notebook can heighten your awareness of how the meals and snacks you eat affect your mood and well-being.

Practicing mindful eating forces you to slow down, focus on the present moment, and notice what you're really feeling. And when you repeatedly ask yourself, "How well do I feel after a meal or snack?" you'll begin the process of gaining awareness of your own specific nutritional needs. You'll measure meals and snacks in terms of how they affect your well-being. Your purpose for eating will shift from the intention of feeling full of food, to the intention of feeling full of energy and vitality. You'll become a "nutritional glutton" who wants to feel full of energy and you'll select food and combinations to achieve that goal.

Here Comes "Little Johnny"

--- Little Johnny walks a cow through the village square.

The mayor sees him and asks, "Hey Johnny, where are you going with the cow?"

"I'm taking her to the bulls so she would get impregnated," answers Johnny.

The mayor is shocked, "Surely your father had better be doing that?"

Little Johnny thinks about it for a bit and shakes his head, "Nah, I think it's really best left with the bulls."

--- Little Johnny: Dad, will you do my math for me tonight?

Dad: No, son, it wouldn't be right.

little Johnny: Well, you could try.

--- Little Johnny came home after school:

"Daddy, I have a bad grade in English language."

"Why?" asked his father.

"Well, the teacher asked us the following question: "Mary entered the forest with John and came out of the forest with Mike. What is Mary?"

"How come what Mary is? A whore, of course," said the father.

"That's what I said, but the teacher answered Mary was a subject."

Governor's Message

by Allen Yergovich , Florida Kiwanis Governor

THE GOVERNOR'S QUACKER

Kiwanis Family:

Congratulations! We've made it into June/ July. These past three months have seemed like years to many of us.

Congratulations to all the Graduates in our lives! Graduates from each level of our Service Leadership Programs and those in our more immediate and extended families: Never stop learning and chasing your dreams. We believe in you!

Congratulations also to our Florida District clubs that made the latest issue of the Kiwanis Magazine! Great job!

I am very excited that the planning for the premiere Florida District Virtual Convention are taking shape. We expect there will be:

- many great educational workshops
- a compelling key-note speaker
- 2018-19 Club of the Year award
- parting words from your outgoing Governor
- encouraging words from your incoming Governor and our International Trustee
- a Council session to ratify our uncontested election
- the presentation of your district officers, especially your new Vice-Governor
- virtual fellowship opportunities
- a creative Caring Corner
- a large-scale service project

no registration fee, no travel hassles, more opportunity for everyone to participate.

We obviously can't have an in-person large-scale service project like we did last year, packaging over 50,000 meals. Instead, I am hoping that every club will plan some sort of service project for that Sunday, August 16, no matter how big or small, we can all share in the knowledge that we are working together for the children. I am also hoping that clubs will use those funds budgeted to send people to DCon and to buy program ads for the Caring Corner or the large-scale service project. And please send your budgeted Caring Corner checks in as always.

Let's all make the best of this VCon and we will celebrate doubly in Boca next year!

Kids need Kiwanis, more than ever.

So many of our community partners' services and future funding are allocated by the Census numbers. It is critical that we help make the public aware of how important a "full count" in the 2020 Census is to our communities - for the next ten years. Schools, hospitals, fire departments, roads, early-learning and other child services will all be impacted. Please spread the word however you can.

Keep Kiwanis service and friendship alive.
Be creative. Have fun. Stay optimistic. #GetQuacking!
