Let's Keep Our Kids Safe

Cherie Benjoseph

That was the message from Cherie Benjoseph, the co-founder of the Kid Safe Foundation, at our August 10th meeting.

The statistics are staggering: 1 in 3 girls and 1 in 6 boys are sexually abused before age 8. As a nonprofit, KSF's mission is to empower children, teachers and parents with personal safety education life skills to make safer and smarter choices. It is their goal to decrease the incidents of child abuse, bullying, peer pressure, abduction and internet safety issues to create confident skilled children who can be the first line of defense in their own safety. KidSafe Foundation offers prevention education programs for children ages 4-15 and their parents. This consists of providing adult semi-

nars, teacher workshops and in classroom lessons with the children. Prevention Education Life Skills are taught through a 4, 6 or 8 week program. The lessons are fun, developmentally appropriate and include activities such as song, art, role-playing, games, and discussion. This empowering program allows the children and parents to open communication regarding sensitive topics in a safe environment.

KSF currently has two books available entitled "My Body is Special and Belongs to Me" and "Kid Safe", which are both entertaining and educational. For more information, go to www.kidsafefoundation.org.

Putting Your "Best Foot Forward"

Debbie Ellman & Donna Biase

Our program on August 17th was presented by Debbie Ellman and Donna Biase of the Best Foot Forward Foundation. Their vision is to provide teens, aging out of foster care, with every available opportunity to transition to independence with their best foot forward. Best Foot's mission is to improve the outcomes for youth in and aging out of foster care as they transition to adult life by advocating for their education,

connecting them to existing services and programs, and collaborating with local businesses to provide additional resources. They take teenagers who are aging out of foster care who want to complete their education and learn how to live as independent adults, and would have been entirely on their own. Their wish list for donations speaks to their purpose: helping a student experience graduation and prom; moving out money to buy necessities; and transition treasures, donating gently used items to help them set up their new household. For more information and to help out, go to www.bestfoot.org.

We Are Better Together

That's the message from Alli Lazarus, Project Manager for the Spirit of Giving Network. **The Spirit of Giving Network** is a collaborative, nonprofit organization with a focus on children and families in South Palm Beach County. It is a forum where nonprofits and community supporters share information, resources and best practices. Currently, there are more than 50 nonprofit member organizations meeting on a monthly basis. The group's objective is to streamline the delivery of services to the community by working collaboratively to solve issues and improve operations through internal and external partnerships.

Alli Lazarus

We are invited to join them for an evening of fun as the Bus Loop premieres in Delray Beach on Friday, September 23rd. Originally created in August of 2007 in Fort Lauderdale, the Bus Loop is a fundraiser that involves local bars and restaurants that support local charities. Since its inception, the Fort Lauderdale Bus Loop has raised more than \$255,000 for various Broward County charities. The Delray Beach Bus Loop will benefit The Caridad Center, the Spirit of Giving Network, The Delray Beach Public Library, the Crohns and Colitis Foundation, and the Palm Beach County Gator Club Scholarship Fund. The route will include nine Delray Beach restaurants and bars along Atlantic Avenue and the outskirts, from the Sundry House to the Beach. Participants can register and begin the Bus Loop at The Delray Beach Public Library at 100 West Atlantic Avenue beginning at 5:30 p.m. Each participant will receive one drink and occasional appetizers at the

participating locations. The Bus Loop cards will be honored until 11:00 p.m. but the trolleys will operate until midnight. Admission for the Bus Loop is a \$25 donation at the door or \$20 if prepaid online at www.BusLoop.org.

The Spirit of Giving Network also provides a Community Nonprofit Calendar, Community Involvement Campaign and Community Volunteer Training, Screening and Placement. For more information and to get involved, go to www.spiritofgivingnetwork.com.

THIS IS ONE OF THE BEST

If you don't know GOD, don't make stupid remarks!!!!!!

A United States Marine was taking some college courses between assignments. He had completed 20 missions in Iraq and Afghanistan . One of the courses had a professor who was an avowed atheist, and a member of the ACLU.

One day the professor shocked the class when he came in. He looked to the ceiling and flatly stated, "GOD, if you are real, then I want you to knock me off this platform... I'll give you exactly 15 min."

The lecture room fell silent. You could hear a pin drop. Ten minutes went by and the professor proclaimed, "Here I am GOD, I'm still waiting."

It got down to the last couple of minutes when the Marine got out of his chair, went up to the professor, and cold-cocked him; knocking him off the platform. The professor was out cold. The Marine went back to his seat and sat there, silently.

The other students were shocked and stunned, and sat there looking on in silence. The professor eventually came to, noticeably shaken, looked at the Marine and asked, "What in the world is the matter with you? Why did you do that?"

The Marine calmly replied, "**GOD** was too busy today protecting America's soldiers who are protecting your right to say stupid stuff and act like an idiot. So He sent me."

The classroom erupted in cheers!

Do You Know Me?.....

Tap into the potential of people who already know about Kiwanis

Sponsor a Service Leadership Program (SLP) for youth or adults living with disabilities. Our club does not sponsor a Service Leadership Program for the disabled. Why not start now? Many schools and the students they serve would benefit from our guidance, plus, sponsoring an SLP is an instant service project. Aktion Club opens up new opportunities for service and gives adults living with disabilities a sense of purpose, too.

Invite parents, teachers and administrators to get to know our club. Many people don't even know that programs, such as Circle K International or Key Club are part of the Kiwanis family. Invite those stakeholders to our club and give them a chance to see Kiwanis values in action.

Host a special event to honor youth and mingle with their parents. Honor the graduates of the Key Club and invite their parents. Host an event at the local schools where we sponsor a BUG program. Some of those parents may be inspired by Kiwanis—and our club.

Follow up and invite them to join. 100 percent of the people you don't ask to join Kiwanis will not join. Once you've made contact with potential members of the SLP youth, invite them to join. You never know if you don't ask!

Did You Know.....?

Curtis honored for service

Jamie Lee Curtis is an actress, author, blogger, spokesperson, ambassador and, now, a Kiwanis World Service Medal recipient.

Curtis, a Golden Globe winner for her role in the 1994 movie "True Lies" and a best-selling author of children's books such as "I Feel Silly," received Kiwanis' highest service award at the 96th Annual Kiwanis International Convention in Geneva, Switzerland, this past July.

The World Service Medal recognizes her charitable work for children's hospitals and her advocacy on behalf of children affected by HIV/AIDS, as well as a number of other child related causes she supports. She joins an elite list of past Kiwanis honorees, including U.S. First Ladies Nancy Reagan and Rosalynn Carter, United Nations Children's Fund Ambassador Roger Moore and malaria scientist Gray Heppner, MD, of the Walter Reed Army Institute.

My Living Will

Last night, my kids and I were sitting in the living room and I said to them,

'I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug.'

They got up, unplugged the computer and threw out my wine!!

The little bastards.

Aktion Club Donates to Animal Rescue Group

The Aktion Club (Pronounced "Action") earned \$500 washing cars and donated the money to an animal rescue group. The check was presented as part of their program at their August 10th meeting. Carlene Laseter from our club and members from the noon-time club were present at the event.

Aktion club is the only community-service club for adults living with disabilities. Aktion Club allows members to develop initiative and leadership skills in serving their communities while enabling their integration into society.

PUBLIC SERVICE ANNOUNCEMENT

What is the correct answer ?

You are driving down the road in your car on a wild, stormy night, when you pass by a bus stop and you see three people waiting for the bus:

1. An old lady who looks as if she is about to die.
2. An old friend who once saved your life.
3. The perfect partner you have been dreaming about.

Which one would you choose to offer a ride to, knowing that there could only be one passenger in your car? Think before you continue reading.

This is a moral/ethical dilemma that was once actually used as part of a job application. You could pick up the old lady, because she is going to die, and thus you should save her first. Or you could take the old friend because he once saved your life, and this would be the perfect chance to pay him back. However, you may never be able to find your perfect mate again.

YOU WON'T BELIEVE THIS.....

The candidate who was hired (out of 200 applicants) had no trouble coming up with his answer. He simply answered: 'I would give the car keys to my old friend and let him take the lady to the hospital. I would stay behind and wait for the bus with the partner of my dreams.'

Sometimes, we gain more if we are able to give up our stubborn thought limitations.

Never forget to 'Think Outside of the Box.'

HOWEVER...., The correct answer is to run the old lady over and put her out of her misery because Obama's health care won't pay for her hospital visit anyway, have sex with the perfect partner on the hood of the car, then drive off with the old friend for a few beers.

God, I just love happy endings!

Int'l President's Message

by Sylvester Neal, Kiwanis Int'l President

Keep the fires burning

When I was elected to serve as the 2010-11 Kiwanis International President, I was entrusted with exactly one year in the history of Kiwanis. I am deeply humbled that I was chosen for this position, and I am grateful beyond words to those who have supported me.

You sent me a message: You've shared my vision of a Kiwanis that can be even greater than it already is. You told me that you were ready to light a fire. Well, we certainly have a strong flame going.

One of my role models is the late American civil rights activist Rosa Parks. By simply refusing to give up her seat on a bus, Parks set in motion the American Civil Rights Movement. Mrs. Parks once said, "I have learned over the years that when one's mind is made up, this diminishes fear; knowing what must be done does away with fear."

Fellow Kiwanians, we too know what must be done. We must grow so we can be more effective in our service. Although it won't be easy, we shouldn't be afraid. Believe it or not, it becomes fun! There is nothing I enjoy more than the pleasure of bringing a new friend into Kiwanis membership. Sharing Kiwanis with the world is a worthy endeavor. Consider the number of lifelong friends you have made through your Kiwanis experience. Most especially, think of the children who have benefited through your Kiwanis club participation. Every day, Kiwanis leaders make their mark by revitalizing neighborhoods, engaging youth in literacy programs, building playgrounds and performing countless other projects to help children and communities.

Now, Kiwanis will mobilize its nearly 600,000 family members to become tireless advocates for the world's most vulnerable children by raising needed funds to bridge the gap and defeat maternal and neonatal tetanus. I ask you to join me in making the commitment to be team players and to play our part to the fullest.

Keep working together and let your passion burn for another amazing Kiwanis year.
