Our program on June 12th was presented by Stephanie Immelman, the CEO of the Delray Beach Chamber of Commerce.

The Chamber is comprised of more than 800 businesses and professional firms working together to make Delray Beach a great Community. For nine decades, the Chamber has served as the hub of business where stakeholders intersect with government, technology, health care, education, economic development, tourism, arts, culture and non-profit interests. The Chamber's long-time business owners coupled with new up and coming entrepreneurs create a vibrant business landscape.

They are a Chamber of the 21st Century and we foster and promote our membership by harnessing the

tools that people utilize to communicate and do business today.

Social media, Facebook Live shows, email marketing and video are just some of the tools you can use to communicate with your fellow Chamber members and to our community at large here in Delray Beach.

The Delray Chamber is strongly integrated with our institutions such as City Hall, the Community Redevelopment Agency, the Downtown Development Authority, as well as our many schools, cultural organizations and non-profits.

The Delray Chamber is the hub not only of the business community but our town as a whole. For more information go to <https://delraybeach.com>

Remember Play? We Do

Our program on June 19th was presented by Simone Chin, President and Jennifer Ligeti, Past-President of Sunflower Creative Arts.

Sunflower is a learning center, resource hub and preschool in Delray Beach. The mission of Sunflower Creative Arts is to empower children and families to be confident, creative and compassionate through Play, Nature and the Arts.

Today, a large amount of children's time is spent on academics and test prep, in front of screens, and in adult-directed structured activities

squeezing out time for free play both at home and at school. Yet, there is a wealth of research showing the many important benefits of

child-directed, creative play (not to be confused with guided play or education game play)

for children's health, strength, and success.

Some benefits of child-directed play include: Cognitive Growth; Social and Emotional skills; Physical Health; and 21st Century Skills. Child-directed free play enhances communication, collaboration, creativity, and critical thinking skills.

2 Year: Davidson, Joel; Martin; Rickard; Sablo

Foundation: President Davidson, Pam; Vice-President Pollack;

Secretary Alperin. Treasurer Morrison.

3 Year Directors: Youngberg; Barcinski; Morse

- **Attendance:** Freeburn; Laseter; Kelleher; Krieg; Davidson, Pam;

Davidson, Joel; Sablo; Pollack; Youngberg; Morse

- Absent: Alperin; Morrison; Martin; Rickard; Barcinski

- Minutes of May 6, 2024 Approved

- Financial report: Bill; No formal report

- Rich; Foundation, since 2023 Delray Affair has collected \$15,643 gross from 2 Delray Affairs, Golf tournament, and Pancakes and Pints.

The Foundation account has \$ 24,000 which includes the old Delray Beach Noontime Club foundation money but not restricted to their scholarship.

Old Business:

Pam: The new Boca Raton Club has 12 members. The next meeting is June 14th hopefully for formal paperwork. As the sponsoring club what are we going to do for them. In the past we have paid for the bell (but can't buy anymore) and the banner.

- We need to find out what is in the kit and what they need. Their Underwear Drive finishes June 14 at 1 PM.

Story Trail:

1. Bill is waiting to give our treasurer the check to put in the Foundation account. Bill, Joel, and friend met with city two weeks ago. A contract has been given for our consideration. Tamarac has Story Trail working with city 2 years. Books Application \$500 for books, \$240 for books from City = \$740 for books. On average about \$20 a book. We will change every 3 months = four books a year. Print pages and city install, and we keep old books for recycling. The agreement may last for 5 years. We could give the City \$4000 not \$4500, and keep the \$500 for printing and buying books at a cost of \$50 copying book for stations. We are looking at 20 stations.

- We need a total detailed breakdown of costs and when and who is paying for what. Rich added we need a legal review? Who is responsible for what!

- EZRA: Finnegan's Ronnie profit of over \$5,000. Limit of 100 people June 29th. Raffle for a Potty Piano. \$50 per ticket.

- Bill: we need to see if By-Laws need to be modified for the \$100 upfront membership fee.

- New recruitment ideas committee: David, Joel, Pam to meet.

Anyone else?

- At present we have 44 members. How many paying?

New business:

- Peggy: During July and August cocktail parties may be way to attract new members. Then quarterly.

- Finnegan's is having every Wednesday a Trivia Night and has invited us to provide 6 a member team.

- PP&P was so successful that Lisa is considering another one for the Bills and Dolphins game that Thursday night

- How to handle non-attendance: Alberta will be replaced on Board in October by Andi DeVoe.

- Golf tournament Oct 18th, Web site up, need player, sponsors, and raffle items.

- Christmas tree lot guy wants us. We have identified lots that are owned by the City. Scott will check. We get a percentage. Was \$6,000 -7,000 last time with the same guy as was on Homewood. He will need a Kiwanis banner. Liability, we already have \$2,000,000.

- Peggy: Women's club doing a "Real Men Bake" again and needs help.

- Pam: At the convention, each club gives for Caring Corner service leadership program for Kiwanis kids etc. \$250 for student leadership programs. We do it every year. We will get another banner patch. Aye.

- Spirit of giving back to school bash, is July 22nd at Village Academy and may need volunteers.

- Backpack with school supplies good for recruiting. Make an official club function?

- Ezra Shirts anytime soon? Women want cotton? Scott send new email.

• **Next Board Meeting Monday, July 1st, 2024, at 7:30 A.M. on Zoom.**

Like DoorDash for Foster Care

Our program on June 26th was presented by Bailey Hughes, the Co-Founder and Executive Director of The Hands and Feet; and Board Secretary Katie Stokes.

Hands and Feet delivers nearly everything a child entering, or at-risk of entering, foster care needs to cover the gap, within 48 hours of need. Children

often arrive into the foster care system at all hours of the day and night, with nothing but the clothes on their backs. Foster families, relatives, and non-relative care givers step up to care for these hurting children, facing the daunting task of meeting all their basic needs on their own.

Hands and Feet is the immediate resource providing help and hope to those who need it most, from tangible goods like clothes, shoes and car seats, to the kind of emotional support only people who have experienced the process can offer. Ways to get involved include becoming a Wishlister, Volunteer or Host a Supply Drive. For more information go to www.thehandsandfeet.org.

SHARING KIWANIS - COMMON OBJECTIONS A PERSON WILL BRING UP DURING YOUR CONVERSATION:

How will you answer these?

- There is no one my age in your Kiwanis club. Will this be a problem?
 - I appreciate your club's fundraising, but I want to be active in hands-on service.
 - I have no money for dues and other costs associated with being a member.
 - I am afraid if I join your club I will overcommit myself. I have a real issue with that.
 - I'm very busy and very socially active. I don't know whether I have time for something like this.
 - I'm physically active. I'd like to do something physical to give back to my community since I deal with finances all day.
 - It looks like I would be the first person of color in your club. Plus, I'm younger than most of your members.
 - I just don't know if I have anything in common with the club.
 - I don't want to make any decisions until I get my father-in-law settled and know how much work it will be to have him live with us.
 - I've always sacrificed myself for my family. I am looking forward to some "me" time now that the kids are out of the house.
 - I'm only 50. Isn't Kiwanis for old people?
 - I help people every day, all day. Kiwanis sounds a lot like my job.
 - With my son at home, everything feels up in the air. I'm not sure what I want to do with my time, and I'm not sure I'll ever get a chance to find out.
 - I want to downsize, so who knows where I will be living a year or two from now.
 - Why should I pay dues to join Kiwanis when I can do service without paying for membership?
 - I get a lot of requests to donate store items and materials to the groups I'm in. I suspect you approached me because of that, but I can't keep giving things away.
 - I don't see the benefit of Kiwanis for me. I'm already volunteering and involved with my community.
 - I'm very busy and have very little free time.
- Are You Ready? Think About How You Would Answer These Objections**

PUBLIC SERVICE ANNOUNCEMENT

WARNING FROM POLICE THIS APPLIES TO BOTH WOMEN AND MEN BEWARE OF PAPER ON THE BACK WINDOW OF YOUR VEHICLE--NEW WAY TO DO CARJACKINGS (NOT A JOKE)

Heads up everyone!

You walk across the parking lot, unlock your car and get inside. You start the engine and shift into reverse.. When you look into the rear view mirror to back out of your parking space, you notice a piece of paper stuck to the middle of the rear window. So, you shift into Park, unlock your doors, and jump out of your car to remove that paper (or whatever it is) that is obstructing your view. When you reach the back of your car, that is when the carjackers appear out of nowhere, jump into your car and take off. They practically mow you down as they speed off in your car. And guess what, ladies? I bet your purse is still in the car. So now the carjacker has your car, your home address, your money, and your keys. Your home and your whole identity are now compromised!

BEWARE OF THIS SCHEME THAT IS NOW BEING USED. If you see a piece of paper stuck to your back window, just drive away. Remove the paper later. And be thankful that you read this . I hope you will forward this to friends and family, especially to women. A purse contains all kinds of personal information and identification documents, and you certainly do NOT want it to fall into the wrong hands. Please keep this going and tell all your friends.

HUMAN AND SPIRITUAL VALUES

(One of the six Objects of Kiwanis)

"Lasting change is a series of compromises. And compromise is all right, as long as your values don't change."

– Jane Goodall

A lady is walking down the street to work and she sees a parrot in a pet store. The parrot says to her, "Hey lady, you are really ugly." Well, the lady is furious! And she storms past the store to her work. On the way home she saw the same parrot in the window and the parrot said to her, "Hey lady, you are really ugly." Well, she was incredibly ticked now.

The next day she saw the same parrot and the parrot said to her, "Hey lady, you are really ugly." The lady was so ticked that she went into the store and said that she would sue the store and kill the bird. The store manager said, "That's not good." and promised he wouldn't say it again. When the lady walked past the store after work the parrot said to her, "Hey lady." She paused and said, "Yes?" and the bird said, "You know."

HEALTHY LIVING TIP

Strength Training Strategies for Every Level

If you would like to build muscle mass, sometimes the optimal strategies are the simplest ones. For example, becoming proficient at the "big four" exercises can help you create a strong (literally) foundation. These four moves include the squat, deadlift, bench, and shoulder press. You can work on some of your body's major muscle groups with these simple movements.

Another strategy involves using dumbbells and barbells. While the fancy machines in the gym may appear fun and enticing, mastering the foundational movements with free weights requires building the skill. Free weight and bodyweight training are some of the most effective exercises, and they are also the simplest.

Lastly, maintain a log and track your progress. Even doing one more rep or lifting five more pounds counts as progress. These achievements will keep you motivated and make tracking your progress easier as you get stronger.
