AVDA Offers Life-Saving Services

Our program on July 3rd was presented by Tara Laxer, the Director of Development for AVDA.

Aid to Victims of Domestic Abuse, Inc. (AVDA) offers life-saving services while promoting violence-free, equitable relationships and creating the social changes necessary to end domestic and dating violence. They are dedicated to empowering and supporting survivors of domestic violence to live violence-free and self-sufficient lives.

Domestic violence (DV), also called intimate partner violence, is a pattern of abusive behavior perpetrated by one intimate partner against another. The abuse can be physical, sexual, emotional, economic, digital or psychological. This includes any behaviors that frighten, intimidate, terrorize, manipulate, hurt, humiliate, blame, injure, or wound someone. The one

constant component of DV is one partner's consistent efforts to maintain power and control over the other. DV can happen to anyone of any race, age, sexual orientation, religion, gender, socioeconomic backgrounds, and education levels.

AVDA provides a Community of Hope through our state-certified domestic violence center that offers a comprehensive array of services for all victims of domestic violence including; a 24 hour crisis hotline, emergency and transitional housing, advocacy, counseling and support to help them live violence-free and self-sufficient lives. For more information go to www.avdaonline.org.

Become A Mentor!

Our program on July 17th was presented by Elissa Sorel, Mentor Manager for Take Stock in Children.

Take Stock in Children, Inc. is a nonprofit organization, transforming Florida one student at a time. Working in every county throughout Florida, Take Stock in Children Palm Beach is 1 of 46 affiliate offices. Their mission is to break the cycle of poverty for low-income, academically qualified students by providing opportunities for a post-secondary education. Through an innovative multi-year model they provide wraparound services to students, with no drop-off of services after high school completion. Students are matched with a caring volunteer mentor, equipped with academically

focused intervention, awarded a college scholarship, and provided with post-secondary retention services.

A mentor is a caring, compassionate adult who chooses to devote their time to a young person. Mentors offer support, guidance, and encouragement. If you can donate one hour per week, you can change a life by helping a child build confidence, a solid foundation of values, establish goals, improve their academic and life skills. Mentors receive the on-going training for addressing the general needs of their students.

July 3rd Meeting: Happy Independence Day everybody! Everyone extended best wishes for that. **Lynn Korp** is also celebrating another birthday. Several members put in for that as well. **Pam Davidson** is happy her grandson has a job after graduating college. **Ezra Krieg** reminded **Tom Carney** the "Red ants are back at the park!" **Joel Davidson** enjoyed watching the Panther's Parade celebrating the Stanley Cup. New member-to-be **Barry Frette** is happy it's not raining today. **Ronnie Dunayer** is cheering on Coco Gauff at Wimbledon. **Dave Freeburn** is cheering on another local connection Frances Tiafoe. **Rich Pollack** is happy **Diane Colonna** is back. **Jay Alperin** thanked **Bob Barcinski** for filling in while he was out. Everyone else was "Just Happy".

July 10th Meeting: Today, everyone put in for **Bill Morse**, back from the hospital. We also had a lot of dollars put in for the Happy Hour last night. Thank you **Ronnie Dunayer**, with help from **Peggy Kelleher**. **Bill** put in for his 61st anniversary of enlisting in the Air Force. **Pam Davidson** was happy her grandson's baseball game finally finished late last night after a long rain delay. **Joel Davidson** enjoyed the Xmas in July event in Broward. **Peggy** also noted that we are 1 month away from the Bills first game this season. **Barry Frette** put in a dollar as interest for the dollar **Rich Pollack** loaned him last week. **Mike Moschette's** wife has returned from a 3 week trip. **Tom Carney** is here for two weeks in a row! (Great to see you Tom).

July 17th Meeting: Today we welcomed **Doug Martin's** return to the club. We also inducted new member **Barry Frette**. Everybody put in for **Doug** and **Barry**. **Doug** is glad to be back and **Barry** is happy to join our club. **Carlene Laseter** is going to Kentucky for a month. **Ezra Krieg** enjoyed **Jill Arbetter's** concert series. **Pam Davidson** is happy her grandson got a job. Speaking of grandson's, **Jay Alperin** has two visiting from up north. **Lynn Korp** recently oversaw a few new turtle hatchlings. **Scott Youngberg** was happy for the start of **Dolphin's** camp. **Peggy Kelleher** can't wait for **Buffalo** to shine. Finally, in his recent travels, **Steve Rubin** saw the world's largest Ketchup bottle.

July 24th Meeting: We were all happy to see **Diane Alperin** at today's meeting. **Jay Alperin** was also happy his grandsons returned home. **Joel Davidson, Barry Frette, Dianne Colonna** and **Rich Pollack** thought the CLE traing was great and the muffins were even better. **Pam Davidson** was happy her grandson's team won the State Championship for 13 yr olds. **Larry Schroeder** was happy his granddaughter placed 1st Team All State for Flag Football. **Terrence Moore** returned from his son's Texas Tech orientation. For the sicko ward, **Bob Hayes's** knee is almost healed and **Bill Morse** is just about fully mended. **Peggy Kelleher** is happy for football kicking off soon. **Andie DeVoe** appreciated **Rich Pollack's** pep talk last week. Everyone else was Just Happy.

DID YOU KNOW?

the POSSIBILITY PROJECT

Let's turn possibilities into reality

Every day, children face hunger. Students struggle to read. Potential leaders lack mentors. Even with our best efforts, the need continues to grow.

Now is the time for Kiwanians to come together to turn what is possible into reality — creating brighter futures for 10 million children around the globe.

We proudly present [The Possibility Project](#), a transformative initiative by our Kiwanis Children's Fund. Together we will raise US\$25 million over the next five years to impact 10 million children globally. This is the first fundraising campaign dedicated exclusively to empowering Kiwanis clubs to dream bigger and to support more kids.

The Possibility Project is more than a fundraising effort; it's a call to action. It's an opportunity for all Kiwanians — whether longtime supporters or new donors — to make a monumental impact on the lives of children.

Discover more about The Possibility Project by watching this video at <https://vimeo.com/962286484>, which was shown for the first time at the 2024 Kiwanis International Convention. Together, we can dream bigger, achieve more and transform the lives of millions of children. Join us.

We're In This Together

Our program on July 31st was presented by Katherine Murphy, the CEO of Nami, Palm Beach County. National Alliance on Mental Illness Palm Beach County (NAMI PBC) is a nonprofit, volunteer-run organization dedicated to providing education, support and advocacy, with the goal to empower individuals living with mental illness and their families, and to eliminate the associated stigma.

One in 5 American adults experiences some form of mental illness in any given year. And across the population, 1 in every 20 adults is living with a serious mental health condition such as schizophrenia, bipolar disorder or long-term recurring major depression.

As with other serious illnesses, mental illness is not your fault or that of the people around you, but widespread misunderstandings about mental illness remain. Many people don't seek treatment or remain unaware that their symptoms could be connected to a mental health condition. People may expect a person with serious mental illness to look visibly different from others, and they may tell someone who doesn't "look ill" to "get over it" through willpower. These misperceptions add to the challenges of living with a mental health condition.

Every year people overcome the challenges of mental illness to do the things they enjoy. Through developing and following a treatment plan, you can dramatically reduce many of your symptoms. People with mental health conditions can and do pursue higher education, succeed in their careers, make friends and have relationships. Mental illness can slow us down, but we don't need to let it stop us.

If you or someone you know is struggling, you are not alone. There are many supports, services and treatment options that may help. A change in behavior or mood may be the early warning signs of a mental health condition and should never be ignored. For more information, go to www.namipbc.org.

PUBLIC SERVICE ANNOUNCEMENT

THE TEN MOST DANGEROUS FOODS / BEVERAGES TO EAT OR DRINK WHILE DRIVING (other than alcohol)

- 1. HOT COFFEE** - Coffee spills are particularly dangerous because of the potential 2nd degree burn.
- 2. HOT SOUP** - Imagine trying to steer while holding a spoon, the cup and the wheel at the same time!
- 3. TACOS** - Cannot be eaten without tilting the head and it will usually break apart in driver's hand, then fall in driver's lap.
- 4. CHILI** - The sloppiest food ever devised.
- 5. BURGERS** - Juicy with toppings dripping out of bun, onto your shirt.
- 6. BARBECUE** - Sticky fingers and driving don't mix
- 7. FRIED CHICKEN** - Greasy, crumbly, finger-lickin' BAD!
- 8. JELLY DONUTS** - A big glob of jelly on your leg - just what you need before that big meeting.
- 9. SOFT DRINKS** - Try spilling a large cola on your lap while you're merging onto the expressway.
- 10. CHOCOLATE** - Tastes great but it's a stubborn stain.

What do all these foods have in common? They're messy. The problem is not necessarily the "eating" of the food. It's the reacting after the food (or beverage) falls in the driver's lap. Most food-related crashes happen in the morning because drivers are more concerned with their appearance at the start of the day. The odds of having a food-related crash increase if the vehicle has a manual transmission, because the driver is also occupied with the stick shift. Like this guy below:

I was out for a drink with the wife last night and I said, "I love you".

She asked me, "Is that you or the beer talking"

I said, "It's me.....I'm talking to the beer"!

HUMAN AND SPIRITUAL VALUES

(One of the six Objects of Kiwanis)

"Success is not how high you have climbed, but how you make a positive difference to the world"

--- Roy T. Bennett

WHY?

Why do people constantly return to the refrigerator with hopes that something new to eat will have materialized?

Why do people run over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it, then put it down to give the vacuum one more chance?

Why is it that no plastic bag will open from the first end you try?

How do those dead bugs get into enclosed light fixtures?

HEALTHY LIVING TIP

Healthy Summer Tips

Staying healthy this summer will help you enjoy the season even more. Here are some of our favorite healthy summer tips:

Stay safe in the sun, and always wear sunscreen. Use an SPF 30 or above with both UVA and UVB protection. If possible, hang out in shaded areas.

Challenge your family and friends to some healthy competition, such as through a game of Capture the Flag, a scavenger hunt, a volleyball, flag football, or a dodgeball game.

Eat smart by indulging in a few of your favorite foods but still making healthy choices. Swap red meat out for chicken, choose fruits and veggies rather than chips, and eat sweets sparingly. Countless healthy barbecue and cookout recipes are delicious and will still satisfy that summer picnic spirit.

Summer can be an ideal time to remain active by swimming, playing games, and enjoying some of your favorite healthy bites.

2024 Signature Project Contest winners

Kiwanis clubs around the world brought their communities together over the past year through creative and impactful service, fundraisers and events. On July 4 at the 2024 Kiwanis International Convention in Denver, Colorado, U.S., Kiwanians gathered to celebrate the best of Kiwanis clubs' signature projects.

Group Two (clubs with 28 or more members)

Gold - Kiwanis Club of Providence-Montego Bay - Eastern Canada and the Caribbean District

Breast Cancer Awareness 5K Run/Walk/Wheelchair

For 14 years, the Kiwanis Club of Providence-Montego Bay has held its Breast Cancer Awareness 5K Run/Walk — and last year, the club added a wheelchair segment to allow Aktion Clubs and community members with disabilities to take part. The event doesn't just raise awareness; it also raises funds for the Jamaica Cancer Society, the Oncology Ward of the Cornwall Regional Hospital, individuals in need of financial support for their cancer treatment and recovery, and other community projects. Kiwanians, community partners and over 200 Key Club and Circle K International members worked together to make a memorable event for over 2,500 attendees.

**Silver - Kiwanis Club of Stuart - Florida District
Kiwanis Park at Woodlawn**

When members of the Kiwanis Club of Stuart built the first two playgrounds for Kiwanis Park at Woodlawn in 1990, they had no idea what a landmark the park would become for its community. Situated at the entrance to the city near a low-income neighborhood, several daycare centers and the Creek Arts District, the park opened the county's first accessible playground in 2015 and its only sensory playground in 2021. Each of four playground areas has its own Little Free Library stocked by Kiwanians. Park-goers can also enjoy free Wi-Fi, a concession stand and donated art fixtures. Club events have become so popular that the park is now its main source of fundraising. In fact, most of the funds for the last round of park renovations came from the park itself.

Bronze - Kiwanis Club of Gig Harbor - Pacific Northwest District

Kiwanis Cares for Kids (KCK)

The Kiwanis Club of Gig Harbor works closely with the 17 schools of the Peninsula School District on its Kiwanis Cares for Kids (KCK) program. What started as a project to provide new clothes and shoes for kids in need has grown into one that facilitates experiences that help kids grow. Throughout the year, the club continues to raise funds for clothes and shoes — but also for field trips, books, flexible classroom seating and extracurricular activities such as sports, music and camp. KCK enhances the self-esteem, education and life experiences of students from preschool through the post-high school transition program for adults with special needs.
