### **Program:**

#### **Board Meeting debrief:**

\$5,000 for the Christmas Baskets this year the baskets and what is being delivered has changed due to Covid, and the risk of having to defend ourselves from any liability for exposing someone to Covid.

Here is the recommendation from the Spiritual Aims committee:

That we cancel any organized gathering of North Modesto Kiwanians related to this project (namely-book sorting, toy wrapping. & food basket packing & delivery). In place of those larger, organized events we are recommending the following:

1. Book sorting will be completed by George & Marie Bairey in their own home.
2. Art Basket assembly will be completed by Judy & Mike Herrero in their own home.

**BIG** shout out to Britta Skavdahl for helping to usher in the Art Basket supplies and program..Thank you Britta!!

3. Gift cards will be purchased from CostLess Market and distributed to the 39 families (amounts determined by size of family).
4. All items—Books, Art Baskets & Gift Cards—will be picked up on December 8 or 9 and delivered to the schools on Dec 9. (3 different NMK club members will pick up & deliver those items in separate vehicles for more effective distancing.)
5. All items will be delivered to the 4 schools who will distribute them to the families they selected and sent to us before Thanksgiving. All 4 schools already have a system’s in place approved by the MCS district to deliver food to their respective families.

\$1,780 spent from General Fund to support Lt. Governor fund for year.
