Facebook page was bought up by Judy Herrero. Suggestion to change from Public group to Traditional facebook page and a 'Pinterest' page so we get better exposure. Request for help to transfer to the new page and then keep posting and responding to messages. Judy requested that volunteers have a 'positive' attitude and youthful tech abilities which might be hard to find among members. Although, possibly a Key Club member who might be familiar with such things?

Ken Nolte is organizing a Pajama Pickup on Jan 14th. Davis Park to help Vanguard key club's pajama party.

Marty Villa gave a summary of the Christmas Basket project. 116 children and 39 families served with 345 books and art baskets and gift cards. Goodman, Wasmund and Villa went to the Bairey's to pick up books and then to Judy and Mike Herrero who did art basket and then to Costless Market for food certificates where Clay Nibler, the manager, has been a longtime supporter for us. They took all these items to the schools for distribution. Randy Cook's kind offer of the man cave had to be declined due to Covid worries. Kudos to the team for coming up with Covid acceptable alternatives ways of doing things.

President Roberts weekly question: What has anybody done for the community?

Gary and Jackie Zimmerman have been working on the steering committee for a Parkinson's outreach group.

Keziah Vibieda is working on a Veterans and Aging committee project.

Tim Ragsdale is working hard on the Classic Car Museum.

Grace Davis Key Club made tote bags for the homeless. Grace Davis was not represented at the meeting but one of our key club visitors was able to report that they had an event for our division where key clubbers made tote bags for the homeless and around 25 tote bags were made out of old t-shirts, for the Modesto Gospel Mission this month!
