Videos are still requested for the NMK FaceBook page! Judy is looking for a few Kiwanians to prepare a short (1 minute or less) video on why they are a part of North Modesto Kiwanis and why would someone join. It'll be posted on our FaceBook page. Just need a smart phone with a camera...or call Jeremiah Williams who has volunteered to help. Call him (209) 568-3096 to arrange for a video shoot - if you need that help.

### Volunteer Efforts:

President Roberts weekly question: *What has anybody done for the community?*

- Michael Baldwin assisted some residents to find family members.
- And somebody else really significant did something really significant in our community, but I regret that I didn't hear who it was... But I'm really sure it was really appreciated by the beneficiaries! Really!!!

*Happy Bucks cont.*

- Judy had a happy buck that she will be able to visit their grandkids whom they haven't seen or hugged for a year—and they will actually be able to go inside!
- Isabella also reported that her grandparents got their second shot.
- Marty was happy that ErneRuth got her second shot—but sad that she had a 101 degree temp – in her arm!
- Marty asked for a poll--How Many have their received their second shot? It appeared that “about half” raised their hands. That is definitely something we are doing for our community.
- Brent Burnside reported that progress is being made in prep for the next Graffiti Car Show. But still several hurdles to get past in regard to permits.

### **Adjourn:**

Remember: We are the people who make change in the community.

President Husman adjourned the meeting at 8:07am.
