Pres Robert Asked his weekly question what have you done to serve your community this week?

John Sanders got up to speak for Allan Ramsey, who has a neighbor whose mailbox was destroyed by vandals so Alan took it upon himself to buy a new one and install it! Way to serve your community Alan.

Birthdays:

Tim Ragsdale - Cinco de Mayo 1943, Pete Vella 5/10/1939 & Phil Fugit - 5/13/1945 but unfortunately Phil was not present today (Zoom or on-site) to witness his personal serenade so it was not offered. I'm quite certain he is deeply disappointed...as were we.

Wedding Anniversaries:

Judy & Michael Herrero -- 35 years

Gary & Sandy Goodman – 35 years

Service Anniversaries:

Phil Fugit – 5/13/ 2009

Happy/Sad Bucks:

Steve Perry surrendered a sad buck because the flag wasn't in the front of the room as I should be. Duly noted Steve. Next week it will be up to code with the flag to the right of the primary speaker at center stage in this case President Robert.

Gary Goodman offered an appreciation buck & reported that Lisa Lodi called him during a sad moment. It was her last day at as a counselor Johansen High School. But while that was sad she made the most of the day because she had Michael Baldwin speaking to Students and they were spellbound

So, Michael followed up with his own appreciation dollar because he had the privilege to be part of Lisa's last day.

Steve Collins interrupted and said the expected program has not shown...but he promised to bring them back on a future date because this program is too good to miss.”

Thank you Steve & Judy for the great programs you bring to us!

Young Elisha gave his own happy buck because he was giving an oral presentation at his school today.

Brian Sanders gave a happy \$5 (or \$10?) said, “My oldest daughter just got engaged!”

Bob Riedell is reporting in on the Zoom call from Avila Beach. But some wondered why his fellow Kiwanian was NOT on the call with us as well. Hmmm... I think his initials are Aar. Kel.)

It was reported to us all that Jim Felt suffered a TIA stroke on Mother’s Day but is doing well now! Thank God!!

Mike Boyd – was fishing on the back side of Mt Shasta and reported he caught many “huge, fat trout’ some over 20 inches! He will send in his happy \$5 for his great time.

Marty Villa – gave a happy \$5.00 – but I didn’t write it down so NOW I can’t remember why I gave a happy \$5...I do remember that I had a good reason though.

Michael Baldwin- \$5 bucks because today is the first day that he will be training the MPD.

American Graffiti Car Show planning meeting: Brent Burnside announced the next for May 19th at Perko's on Oakdale Road and Zoom. I think that'd be at 7AM?

Also on Saturday last Brent & Charlie were on the "Real Estate Jerky" Radio Show--Power Talk Radio 1360 that was Saturday at 10AM

President Robert gave a happy buck because tomorrow he'll be going to Rancho Cucamonga in So Cal to the Kiwanis CalNevHa District office for his Lt Governor Training

Lori Rosman, our current Lt Gov for District 46N, gave a happy buck that she **DIDN'T** have to go to the training! Two years in a row is enough!

But for my part, I am very grateful to Lori for the past two years of leadership she has given our district! Especially during a difficult out-of-the-ordinary year.

Marble Draw: the ticket was #4624494 and belonged to Michael Baldwin, BUT he drew a white marble.

Lori Rosman won the easy lunch money.
