Program:

Steve Ashman Ex. Director of CASA. Appreciated the support our club has provided “Without us they would not exist”. Over 100 advocates helping kids through the system. 6 full time and one part time staff. Last November had to move out of their current location and at 1935 G St now along with Ag Safe. Have had to donate to local groups truckloads of toys and backpacks in order to accommodate the smaller location. 3 judges on the bench that here their cases.

Lots of creativity with advocates meeting with kids during pandemic – both zoom and in person with appropriate social distancing. Supporting 200-230 kids within the system.
Couple of fund raisers for CASA upcoming: Friday August 13th concert at Gallo will feature Zasu Pitts. August 17th golf tournament at spring Creek.

DRAWING RESULTS

Karen Bettencourt had enough tickets to sweep the table stake and the lunch money. There was some question about the marble drawing, and it was never attempted!

Anything else for the good of the order?
