Adrian Crane was happy that his firefighter son, who used to be stationed at Columbia right near Brian's fires last week, is now able to help out by being on a fire crew at the Monument fire near Redding.

Bob Riedel was very happy about his wife Eileen's new/used Lexus. President Robert noticed that Bob continued talking about a Hybrid Lexus, surgery, thumbs up and soon a \$10 donation grew to \$20 and beyond.

Kevin Scott was very happy that the Society for Disabilities banquet went very well. He noted that Greater Turlock Kiwanis had a table, but NMK didn't. NMK donated.

Lori Rosman donated \$5 for her trip to Idaho. The donation grew to \$10 when she bragged about seeing Jewel in person while there.

Ken Darby got a booster shot from the VA.

Aaron Kellums gave up \$10 because he will miss the next meeting. President Robert pointed out he would also miss CLE Training. Since Aaron had already set the price of a missed meeting, that would be another \$10. 😊
