HAPPY/SAD BUCKS

Loren Suezle – Sad buck. After 38 consecutive gift wrappings, Loren missed the 39th as he had the wrong day in his calendar.

Gary Goodman – Happy buck for a great Warren Miller movie in support of Society for Disabilities.

Phil Fugit – Fourteen sad bucks for the 14 years with the club in which he has still never had the birthday song sung to him as he never had a meeting on his actual birthday. Now, I don't know why the 8th of December would never occur as a meeting so perhaps Phil missed those days but his point was quickly supported by several who birthdays fall around Thanksgiving and Christmas and for whom a Thursday birthday always falls on a the rare Thursday when we don't have a meeting.

Then a bombshell, Phils fifteenth sad buck; due to family reasons Phil is resigning from the club. Phil said he has been impressed by all the good work done by NMK. Sorry to see you go Phil. Thanks for 14 years of great volunteerism and company.

Doug Hardy – Also never got a birthday song as if his birthday falls on a Thursday , it is always Thanksgiving.
