Volunteer Efforts:

What has anyone done to help the community:?
All of us were silent this week. So no good done?

Birthdays: None reported

Wedding Anniversaries: None reported

Membership anniversaries.

Randy Cook put \$10 in the pot for his 17 years as an incredibly active NMK member. Then **John Sanders** was recognized and donated generously for his 50 years of active, dedicated service. That's right **5 decades** since joining NMK in 1972! **Everybody CHEER!!** Way to go, John!!

NMK Socials:

Randy Cook announced **three tentative** socials ... all to be finalized as COVID restrictions and good judgment allow:
First and tentatively scheduled for Thursday, April 21st we have invited the Sunrise Rotary Club to a joint at the Museum
Second is our annual Chili Cook-off to be held at Randy and Denise Cook's ManCave and if the challenge is accepted the Sunrise Rotary may field half the cooks. If that were to happen that may have to be held in May or June and do it outside as that crowd would be too large for the ManCave to accommodate it.
Third may be a Bowling Event that proved to be a lot of fun for those participating in the past.
Stay tuned, Sports Fans!

Happy & Sad Bucks:

Ana Kanbara was very happy that she was able to get a 15 passenger van donated by Enterprise Car Rental for the Key Club Convention in Reno. That's worth several hundred dollars! Way to go, Ana! She also found a male chaperone to join her with that crowd of Key Clubbers for the trip.

Channa King gave us a happy buck because she no longer has to wear the new member apron! I hope you feel like you belong, Chana. We need more just like you.

Billy Schwartz was happy to connect with a lady on FaceBook that wanted to give away a Concours d' Elegance poster from 1987. The Mark

of the show was Cadillac and the artist of the poster was of course our own Jim Long
Mike Boyd put happybucks in the bucket for a ski trip with some friends to Bend, OR — Mt Bachelor as well as a side-trip to the Metolius River that flows out of the mountain 30 ft wide at the headwaters. Beautiful!

Program:

Theresa Shepherd started a business in 2019 but when COVID-19 changed everything she was compelled to turn it into a non-profit called **Care 2 U**. It's mission is to enhance the health of our communities by breaking the barriers between oral and overall health by delivering diagnostic preventive, and non-surgical periodontal oral care services with compassion and care to under-served populations. Especially including children who are under diagnosed and at high risk of periodontal disease which can lead to other serious health problems, like premature, births, heart attacks, & strokes, diabetes, Alzheimers/ dementia, respiratory diseases and cancer. Go to www.Care2Uts.com for more info.

Thanks to Theresa for an interesting program about a non-profit that is making a difference.

Raffle DRAWING RESULTS

RAFFLE Ticket Draw:

Marble Draw Skipper had the right ticket but drew the wrong marble.

Table stakes went to **Gary Goodman**

Lunch Money: **Lori Rosman** walked away with the loot.

Auction After The Action:

We usually end here but Lori Rosman brought a beautiful, luscious cake that she offered to Auction off. President Aaron complied and raised \$20 bucks for the good of the order.

Until next week, ~**Marty Villa**

Anything else for the good of the order?
