Charlie.... parade went as well as can be expected. A great fundraiser for the first time this year with nearly a 1000 cars paying for the parade. Trash pickup went well. Front page Sunday article on

parade. Very important to city. Awards on Sunday, great cross section of cars. Thanks to everyone. YouTube exposure of parade. Classic picture of parade cars by 'cruising prohibited' sign.

Complaints were answered with, 'come to breakfast, see volunteerism'.

HAPPY/SAD BUCKS

Happy Buck

Tom Swafford. Buck for West Campus being a great show location.

Rich Reimke . 5 thanks for 2 young ladies, including Lori, who helped him out.

Thought for Jim Toal s wife who had major surgery and is doing better.

Loren, thanks for Jim Graham

Jim , Happy 100 for two weeks in Italy.

Brent, Happy buck. Going to Italy next year :)

Steve Collins, great event. Nowhere in the country has an event more suited to its community. The happiness of people getting their packets, money boxes-filling up. So thrilled to be a member of this club.

Marty Villa, Happy for 232 hrs his ecology team put in.

Lori, Happy \$20 for members who worked over a 20 hour shift.

Brian Marks. .Happy \$5 . Enjoyed car show. Grew up with it. First date was at car show.

Charlie, Happy \$20. Especially for John Erro and his cousin Liam and Sabrina and Brian Sanders putting out cans on parade route. Also thanks to the marketing committee.

Bob Reidel . Happy \$50 for all the folks who helped with parking. Thinks that not all the cars were parked at any time which saved the parking crew as they may not have fitted everyone in. Also thanks to Robert Husman.

Bob Reidel, another 50, trip planned to Danube River Cruise.

Ana Kanbara. Happy dollars. Nico and Chana ran from Rosberg to 5 points picking up trash and signs. Apology to Robert for forgetting his apron. Also Christina has not got her apron yet as she came during Covid. Cart and AV gear never got retrieved from Museum meeting last week.

Cory Warner. Got ride at show on cart with Aaron. Took photos. Got a questionable ride back in a loaded cart going flat out, with curves.

Gary Goodman. Buck for his brother in law who is into the car show scene and who said the show was fabulous, is nationally acclaimed.

Brian Sanders. Comments from college. Ecology crew great to work with. Fence crew good. Improvements for car show. Funniest moment; Taylors black Camaro drove into the mud puddle.

Ana found more money. Gave someone a ride and was forced to take a tip that she received so she is donating it.

Karen Bettencourt. Happy Father's Day to all the fathers.

Robert, Happy \$20 for car show being done and successful.

Scam story. Gary Goodman related a long story with, apparently, a good mime of Adrian Cranes accent. Adrian was on his way to Canada when he saw a message thru the NMK website from a lady needing help to buy a refrigerator for a friend of hers who had small children and a broken fridge. Knowing Gary especially enjoys the personal touch in his support of the community and being in the process of travelling Adrian called Gary to say could he contact her and help her out. Gary generously took time and money to help the lady out. Sadly the lady turns out to be known around town as pulling scams and Adrian and Gary had to admit that this was a case of 'no geed deed goes unpunished'. The lady's name is Shirley. Karen Bettencourt adds that Shirley is one of her adopted sons grand mothers!
