HAPPY/SAD BUCKS

Adrian Crane and Bob Riedel shared their experiences at Thunder Hill 5.4-mile racing track going REALLY fast with their times differing only 3-5 seconds.

Dirk Paintedman while riding his motorcycle found Bill Hayden's phone laying on the ground. Hey Bill, where's your phone?

Brian Sanders has moved over to MJC from Columbia. His new position is Vice President of Instruction. Good Luck Brian.

Brent Burnside's daughter Sydney, graduated from high school.

Larry Hughes is looking forward to picking up his grandson and hearing about his military experiences.

John Sanders attended the Indianapolis 500 race with his daughter and son-in-law. He was awed by the blistering 225 mph speed of the race, the crowds, and the noise.

Randy Cook took delivery of his new Corvette last night. The 595 horsepower should get him around town ok.

Susan Powers was so happy the Brent got Randy's old car. Brent threw in another happy buck.

PROGRAM:

Jim Felt reports the board issued our first check for a scholarship recipient. A few other, unremarkable, checks were issued to cover expenses for the Love Modesto pancake breakfast.
