## NORTH MODESTO

Lisa Lodi. Weird 20. Flew to Modesto and had to have a wheelchair at Phoenix airport as she had tweaked here knee playing softball. The jar of jam in a donation basket had to be in checked bags and it broke. No rental car. Brother got in accident leaving the airport. Lots of softball.

Dirk Painted man. Sad 2. Credit card issues on consecutive days.

Ken Darby. Credit card story.

Alan Ramsay. Happy buck that the Commemorative Air Force crab feed is sold out. Also a happy buck for survivorship! Happy that those calling to check on his demise were disappointed. After a crash at Modesto airport last week, with a pilot fatality, he had phone calls to check on him. Then another Alan Ramsay died and had an obituary in the paper, again he received several calls to check on his well being. Sad for those involved though.

John sanders. Happy Buck. Glad Alan Ramsay still alive to help him with his car restoration problems.

### **PROGRAM**

No program today.

### **Board Meeting Report.**

Buy tickets to mob and crab feed.

Buy tickets to boys and girls club pancake breakfast.

### **DRAWINGS.**

#### **Bonus Drawing:**

President Jennifer declares a bonus drawing that was won by Steve Collins. The winner chooses breakfast next week or a hat and T-shirt from the museum. Steve took the T-shirt and hat.

**Marble Draw** – I must have been distracted; did not get the winner but no red marble was drawn so the pot stays intact to next week.
