BIRTHDAYS:

Adrian Crane. 68. July the 27th so this was the actual day. Adrian was attending on zoom so the president had a quandary as to how to handle the song. This is the first time that a zoomer with a birthday on the day, had been in attendance. It was decided to have the zoomers sing. Luckily the zoomers included Jeremiah so Adrian got a fine rendition of the birthday song. Adrian said he is hesitant to celebrate another birthday. Planning a movie and dinner. On his 21st, he was on a family vacation in France.

Steve Perry. 57 years. His wife's birthday is the next day, so they do a family celebration and went to the Mo Band party. On his 21st, he came back from Honolulu, being in the Navy, and had a band and a party. The police showed up and Steve said 'Don't worry, I'm 21'. The police responded 'We are here for the noise!'.

WEDDING ANNIVERSARY:
