ANNOUNCEMENTS:

- **Jennifer:** On **Tuesday, November 7th** at the City Council meeting, we will be presenting a check to the City for last year's Breakfast with Santa fundraiser. We would like as many members as possible to join us. Members, please invite your friends and family to volunteer for this fun event, any and all volunteers are needed and welcome.
- **Ana:** Key Club Fall Rally North at Six Flags
 - Annual spirit rally for the Key Clubs in our division. Students did three rounds of spirit chants against 12 other divisions and ended up winning first place! Though they were a smaller sized group in comparison to a few of the other divisions, they really showed up and proved that they really are proud to be Key Clubbers! Congratulations Division 46 North Key Club for winning this year's spirit rally.
 - Selena Little: Key Club extraordinaire attended the rally for the first and last time. She never got to attend before due to COVID and she's a senior now so won't be able to attend anymore. Very happy that they won and she got to be there. She surprisingly hung out with adults all day instead of her friends, and had a blast!
- **George:** Money was donated anonymously for the 0-4 age range of books. No more books are needed for baskets this year!
- **Lodi Wine Day** - see attached photos for the fun day at Lodi Vintner's during the weekend of October 28th. Many Kiwanians showed up and enjoyed a lovely day at the winery.

HAPPY/SAD BUCKS:

Ken N.: on behalf of Rich Reimche is \$10 happy for the Lodi Wine Day. Great turnout and everyone had lots of fun!

Steve: Happy \$25 for winning the 2023 Old Fisherman's Club golf tournament

Bob Reidel: Happy \$3 for each week that he was gone. Rattling out other Kiwanians in process...no "Sandering" people this time around.

Charlie: Happy dollar because it's all he has left after the wine weekend. Hit up two wineries at the after party after the Lodi Vintners over the weekend.

Jewel: Happy 5 for the Alzheimer's fundraiser on Saturday night, first since COVID. Raised about \$31k for Alzheimer's Association

Ken D.: technical difficulties. Family took the RV to a casino and had a fun time for his daughter's birthday. Was fine for a few miles, then heard a weird noise. Figured out that the front brake on the pickup had seized up, AAA towed it to a shop that they recommended with an over \$200 quote.

Ana: Happy/Sad bucks because she went to a bunch of trunk or treats over the weekend with her family, but missed out on the Lodi Wine Day

Brian: Virginia for World League fling golf tournament, played horrible round first day. In the pairs tournament, he was paired with a random guy and won the World League Fling Golf Team Tournament. Won prize money so he's technically a professional athlete. Debbie Day the next day.

Pat: Preschoolers parade around the library. Kid kept saying “I’m Batman, I’m Batman, I’m Batman”, but Pat never acknowledged him. She finally acknowledged him at the end of the day and he responded with “finally?”

Bob: Played golf. He did good but the bad news is that it was Escalon

Lori: Happy 5. The first grandchild turned 16. Saved money for four years and his parents matched and bought him a 2005 Dodge truck while maintaining a 4.3 GPA and being an honors student. Way to go!
