Nan Jacobs, Went to Houston to celebrated her daughters birthday on the 5th. Her morning flight out was cancelled. The big storm hit Houston. Power was out, a tree fell.

Judy Herrero, sad buck, Judy's sister In law of 51 years died of cancer.

Chana, thankful for Ken and Robert Kanbara helping with July 4th float. Sad that the connected judge could not sway the vote. Vacation in Carmel. Also, that we had over 10000 key club hours in the year.

Ana Kanbara, a mixed \$20. She bought an NMK Car Show t shirt on eBay.

She judged the nonprofit floats at 4th July parade and insisted that she could have had bias but she chose not to. NMK was winning until MJC came by.

Ana is also sad that her home away from home ballpark team, the Modesto Nuts, are moving out of town. She grew up watching games, met her husband there and was married in the ballpark.

Robert Husman; Ana was a judge on the 4th July floats and NMK still lost to MJC. \$3 dollars happy, or maybe \$5

Special board meeting to OK costs for the NMK float by our key club members.

Program

Our Lieutenant Governor, Charlie Christensen. Not sure if this was the program or the official LG's visit to our club, but Charlie spoke about his recent visit to the Kiwanis international convention in Denver.

Charlie was impressed by the airport!

The house of delegates voted on amendments to bylaws and Kiwanis International positions.

The first amendment was a dues increase from \$52 to \$77 dollars to be paid by clubs for each member KI. It passed 82 to 28.

We also pay \$22 for insurance and \$8 for the magazine, to KI.

Then, our club pays \$58 per member to the CalNevHa district.

That totals \$165

NMK dues are currently \$200 of which \$165 will now go to Kiwanis International and the CalNevHa district. It was already tough to run our clubs administrative side on the remaining dues but with the increase it will make it almost impossible. Thus Charlie proposes increasing dues to \$250 annually. There was a lot of support for this. The actual vote will occur in a couple of weeks, giving time for pro and con arguments.

Our general fund goes toward meeting subsidy, conventions, life memberships, the money raised by events goes to the foundation account for use in our efforts to improve the community.

Charlie also mentioned his highlight of eating at Ruth's Chris steak house.

Welcome to Ruth's Chris in Denver, Colorado, where our dedicated team is committed to crafting for you an extraordinary dining experience unlike anything else. Our steak house is conveniently located just two blocks from the Denver Performing Arts Center and minutes from the Pepsi Center and Sports Authority Field, walking distance from Larimer Square and Union Station, near Colorado Convention Center and The Daniels & Fisher Tower, and a short 30-minute drive to the Rocky Mountains. Whether you're celebrating a special milestone, entertaining clients, or simply enjoying a night out with friends and family, count on us to deliver to you the finest steaks, the best service, and a level of hospitality that has made Ruth's Chris one of the most revered names in steak since Ruth Fertel opened our first restaurant in 1965. Make a reservation at our Denver restaurant on 707 15th Street today where an extraordinary dining experience awaits you.
