Dirk 1/06 - stayed home and cooked his own dinner. Cooked a nice fish pasta over the bbq with a nice white sauce. Won 89 in the football pool

WEDDING ANNIVERSARIES:

Howard Sweet

Jim Felt 12/19 - went to Monterey and went orca watching. Thank you Karen for taking care of business while he was gone. Won 247 for winning fantasy football. Went to Rockaway Beach in Oregon with family and had tons of fun. Is buying Platinum card to offset these costs

CLUB ANNIVERSARIES:

Ana K. 1/02 - has been a member for 6 years and is \$6 happy. Having been President, region advisor for Key Club, and chair for the mid-year convention has been great. Her favorite time of year is gift basket distribution with friends and family

Adrian 1/05 - has been member for 36 or 37 years. He's really happy for being a part of this club, a whole \$37 happy. Favorite part of this club, gift basket distribution because he gets to see all the happy faces. Being able to directly help. Funniest time would be last year when Jeremiah spilled the milk...

Channa 1/06 - member for 3 years. Also love the Christmas Basket Distribution Day. Love seeing the gratitude from the kids when delivering. One year she had a little girl that was excited about getting carrots.

HAPPY/SAD BUCKS:

Ana K. - went to Pasadena to volunteer to decorate the floats in the Rose Bowl Parade. Hoping to bring more people with us next year. Threw in a few extra dollars because we left early because someone who shall not be named, may or may not have hurt themselves...

Karen - happy and sad bucks. Lost a family member during the holidays. Happy because they gained a new member when her nephew adopted a beautiful baby boy.

Randy - around Thanksgiving one daughter announced her pregnancy, and then during the holidays again his other daughter announced her pregnancy. Donated Morgan Stanley golfballs.

Steve - daughter graduated from college and got a job at the Stanislaus County WIC program

Nan- will join the platinum club. Went to visit family in Houston and had a lovely time. Thanks to Brent for checking out her husband's car when they were hearing weird noises. Turns out he got too close to a curb.

Jewel - got to spend 5 days in Boise with her honey and he's coming down to visit for 10 days soon

Santa - got a call from UCSF to visit their children's ward as Santa. A little girl was outside selling lemonade to raise money for an upcoming surgery. Spent 3 hours in the ward and held 5 babies who are on the heart transplant list. Very blessed that he gets to bring joy and happiness during hard times

Marty - he forgot to tell a story last week. Usually, we find 5-6 families who just aren't home and we have to try and figure out where they are. Typically still delivering for weeks after the event. This time we only had one family we couldn't find. On the way to the market, he gets a call from a member who found out that the family had moved. He called the school admin and they found a new family to give the items to.

Gary G. - delivered items to a trailer park on 9th Street. He delivered to a kid, then two other kids came up asking for stuff for them but he had to tell them no. He called Marty and found out that they did indeed deliver to them as well. Finished last in fantasy football.

Lori - got a letter from a scholarship recipient who is currently attending Cal Poly
