Great Start for Bandimere Fundraising

If the preliminary results of the first two fundraising events at Bandimere Speedway are any indicator, this should be a profitable year for this fundraising effort. As a result of the hard work of the members who have volunteered for these first two events this July has the appearance of being a tremendous benefit for the Kiwanis Club of Columbine Foundation.

This is only the beginning, and we have a ways to go yet but the preliminary numbers are impressive. At the Mile High National ("MHN") event this year we received over \$1,850, nearly 50% more than our previous highest amount collected at MHN in 2018. This is a testament to the outstanding and friendly service provided by our members to the event attendees. The amount of tips received at the Jet Car/Firework event on July 3rd was not the highest for this event but it was consistent with previous years.

Our commission from Bandimere for these two events will not be known until sometime in August. Typically, nearly one third of our income comes from tips, so this bodes well for our final numbers. We have two more opportunities to put our best foot forward, KBPI Rock n Roll Car Show on August 15 and the Street Outlaws event on October 1 & 2.

Thanks to all who volunteered for all their time and efforts getting this fundraising season off to a successful start!

Carl Mulay

Leewood Food Distribution Thanks

Dear Carolyn and Partners, (that includes us)
Please allow me to thank you all on behalf of the Jeffco Schools Foundation, our schools, and our students. We appreciate your partnership and your support. I have spoken with a number of the summer principals and school staff, and they are all so very grateful for the support for their students and families this summer.

Wishing you all a wonderful rest of your summer!

In partnership and with gratitude,

Sharing with Sheridan

Hello Friends,

I have learned that Sharing with Sheridan (the food bank) needs some extra volunteers this summer, as many of their regulars are going on vacation. They are very thankful for the guys that volunteer in the morning. (You make us proud!)

They would like a few more hands for Distribution, 2:00-5:00, each Thursday. I think Distribution is the most fun part. Please sign up on OneDrive, or you can call me (especially for this week, so I can let them know).

Thank you for your consideration. - Ruthann

Help Wanted

We need help setting up for the meetings; the banner, the flag, the projector, the screen, plus more. Don't hesitate to ask how you can help. At the end of the meeting we do need help putting things away.

Action Center School Supplies Packaging and Distribution

This is a fun event which is even better when we do a group. The project takes place at Stevens Elementary on 38th Ave and Teller St. Packing dates are August 2, 3, and 4. I would suggest August 3 which is a Tuesday as a good first choice. The shifts 10:00 to 12:00 Distribution will take place at the same location on August 9, 10, 11 or 13. Again I would suggest Tuesday 8/10 or Friday 8/13 these shifts are already partly full. The shift times for distribution are 8:30 to 12:15. Let me know if you can send a few people. I will sign up over the weekend. I hope to get at least 10 people. Contact Barbara directly or Ken, he will put you in contact with her.

Meeting Sound System

We had problems with our sound system for the last two meetings. 4G's had changed his stereo system and the new setting were not compatible with our speaker system. Fortunately, we had some member that stepped up and have fixed the problem. The two Toms have it now working, but we will not be sure until we test it at a meeting. - Ken

Jeffco Early Summer Learning (JESL) Program

Hi JSEL Partners, (that us)

This was a great program coordinated by Action Center, IFCS, and 8 other agencies to bring food to the schools during the summer. Columbine Kiwanis worked with our friends at The Action center and IFCS. It is great to see this groups working together.

I put together a PowerPoint summary of our efforts and want to make sure I've captured all of your voices before finalizing. I will trim this down to a smaller version for wider distribution to the school district and other agency/community leaders. for our documentation purposes, I've put in a fair amount of detail on lessons learned.

Please let me know if you have additional feedback, observations, benefits, lessons learned etc. that should be included.

Thanks again for all of your amazing help and support!

Action Center - We Need Hygiene Items

We are in need of those everyday items that so many of us take for granted, yet so many of our neighbors in need ask for the most.

Help us restock our shelves by collecting some of our most requested items, such as toilet paper, large diapers (sizes 4-6), shampoo, conditioner, deodorant, razors, toothpaste, feminine hygiene items, bar soap, and more!

We do ask that these items are new and sealed, but we will gladly take hotel, travel, and regular size packages.

You can save time and shop online from our [Amazon Smile Wishlist!](#) Double your good when you shop on Amazon Smile and purchase items for the Action Center from our Wishlist!

Or challenge your friends, neighbors, and items to bring these items to your next BBQ, picnic, or community gathering!
