Ron reported on the Sept 14 Division Council, during which Lt. Governor Dennis Van Denbos shared information about the *Knock and Ask* club strengthening growth plan. The plan is designed to target members of the community with an existing connection to the impact we make locally. An outline of the process is attached to this bulletin.

The Rocky Mountain District is also launching a *Growing Hands* new member marketing campaign. This campaign features video ads that will run on Instagram and Facebook. If someone from our area responds, our club champion (Michele) will be notified for follow-up.

The swan died after possibly coming into contact with a power line and was found by a private property owner. Numerous permits have been obtained to allow completion of the project, which will be finished by a Montana taxidermist. Donations are being accepted to fund the display.
