Central High Key club members Halee Garcia and Marin Munoz attended the September 28 club meeting and reported on their club's activities.

IMPORTANT NOTES

++ We are now requiring all meeting attenders to **pay for their meals at the meeting**. It is \$15.

++ **Dues will be billed through our website** and email. They can be paid in cash, check, or credit card.

++ Gordon needs more tickets, etc. for the **Ticket-a-Cop** program

++ He also needs more children's books for our **Book Nook**.

++ Our club at PDI still wants more **aluminum cans** for their moneyraising project.

++ We again are selling programs at the CSU Pueblo **football games**. More volunteers are needed.

This organization provided dental services in Canon City free to all comers. Pueblo Kiwanis was there volunteering our service to this outstanding program.

Our Current Scholarship Recipients

Haley Ruiz is in her second year in the dental hygienist program at PCC. We awarded her a 2 year scholarship starting the fall of 2020. She will finish up her studies in May of 2022.

Kenneth Moore is in his second year at PCC studying to get his Associates Degree in Automotive Technology. He appreciates our help because his course of study necessitates the purchase of tools for his automotive program. He will graduate in May of 2022.

Sydney Vik is a senior at CSU-P majoring in Biology and Chemistry. She plans to continue her studies after her graduation in May of 2022 in Pre-Natal Genetics.

Jacob Lewis is a graduate of Centennial HS and a senior at CSU-P majoring in Mass Communications. He is the grandson of our member Ken Lewis. Jacob will graduate in May 2022.

Jillian Kelly is a graduate of Centennial HS and is presently a junior at CSU-P majoring in Mass Communications. Jillian was a great help with our project at the YMCA camp. She was very familiar with the camp as she had been a counselor there for several years.

Interclub at Pueblo

Three clubs joined us for a great celebration on September 22. The Kiwanis clubs from Colorado Springs, Woodland Park,, and Ute Pass shared a meal and a great celebration.

HAPPY KIWANIS NEW YEAR!

The first day of October holds special meaning for Kiwanis club members around the world. It's the first day of our new Kiwanis year — and it's a great opportunity to set goals, focus on improvements and celebrate the many ways Kiwanis can improve the lives of children around the world.

I'm honored to begin my term as the 2021-22 Kiwanis International president. I've been a member of this organization for 34 years. My club, much like your club, works in the community with service projects that help children and families in need.

As we celebrate the start of our 107th year of serving the children of the world, I want to say thank you to all the members who are finding new ways to keep serving during these recent challenging times.

Throughout my years in Kiwanis, I've learned that if you care deeply enough about something, nothing is impossible.

Now we come to a new Kiwanis year — and another opportunity to change lives. Thank you for being there for the children who need us. I look forward to all the wonderful things that clubs around the world will do for them.

Happy Kiwanis New Year!

Our Aktion Club at Diversified Industries is collecting cans to recycle as a fund raising project. This money makes possible to have a number of programs for helping other people. If you have cans, deliver them there or bring them to a club meeting.

We need your help

Ticket-a-Cop

Because of the virus it has been difficult to get tickets for the program.

Here is our proposal: You have a favorite restaurant. You could ask for a donation OR you could buy one or more gift certificates to contribute to the program.

INSTALLATION OF NEW OFFICERS

WEDNESDAY, OCTOBER 6
PUEBLO COUNTRY CLUB

We are embarking on a new program assisting Pueblo's homeless agency Posada at their family shelter by providing labor and supplies.

Ticket-a-Cop

Our program to present our police and sheriff officers free tickets to local events is going well.

The recipients have been delighted in our act of appreciation.

Book Nook

Our project to provide books for the children waiting for their parents to wash their clothes at a local laundromat is going quite well. We have distributed hundreds of books.

Orthodontia

For more than thirty years, working with the dentists, we have assisted several hundred children with severe dental problems to discover their smiles

Grocery Cards

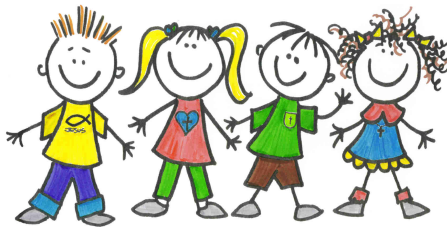

We sell \$50 King Soopers cards. They don't cost you any extra, and when you spend them our club makes 5%.

Barry Richards is in charge of this program.
