## Summerset Needs Help

Hi all. We need your help.

Our Summerset Festival Car Show partner has some changes within their team, and we need to help them in order to retain the car show for 2022.

Steel Ramps. In order to get the cars onto the grass, over the curb and over the small ditch, they need about 10 4' (wide) x 8' (long) x 3/4" (thick) steel plates that are used in construction. Not only do they need the plates, but they need the heavy equipment to place the plates the night prior and retrieve them the night after the event. To rent such plates from a construction company would cost \$5000+ and we need to avoid that cost.

This is priority 1: So, does anyone have a connection to a construction company or other company that might have these steel plates and be able to place them/ retrieve them for our event.

Mike Grunke

## September 12th Save The Date

Kiwanis Blood Drive September 12th at the Riverwalk Clubhouse

## Strategic Planning Session

Ten of us met for strategic planning including most of the officers. Wed. Attending were Mary, Darla, Will, Abe, Tom P. Dave, Tom Mc., Ken, and of course Susan the leader. Our next session will be on Monday Aug 15, 6:30, at Columbine Unite Church.

We discussed a lot of things that can affect the future of our club including membership, projects, publicity, and how to get more participants for our projects. It was a lively discussion, a lots of good ideas.

If you have suggestion contact me and I will forward to all, or send directly to all. Now is the time to make suggestions.

## Action Center School Packing Events

The Action Center is already collecting volunteers to help with packing and distribution of school supplies prior to the new school year. They have changed the location this year to Everitt Middle School, 3900 Kipling St. There are only three days listed for packing, and the rest are distribution days.

Do we want to all pack on the same day or do our own thing? It is fun to do it as a group. Let me know what you would like to do, and I can contact the Action Center for the group if you would like me to do that.

## Thank you Larry

President Mary is presenting Larry with flowers to thank him for always being early to the meeting, greeting members as they come in and organizing our name tags each morning.

Also thank those that come early to set up the restaurant for the meeting and stay for the tear down. We can always use the help. If you can't help at least try to stay out of the way. - Ken
