## CLUB MEETING

At our August meeting Jim Terpstra became a member of our SEMD Club! We had two visitors come and check out our club - Jeff and Adri. They plan to volunteer at CFK's with their daughter. Please make sure to introduce yourself. We are always looking for new members to share in our fun and community service. Remember you can always invite a friend or family member to our events.

October 3rd is the night of our Installation Dinner when we install the new board.

## THANK YOU

Thank you to everyone that took time out of their busy schedule to volunteer & fundraise this month. I hope to see everyone at the Colorado Feeding Kids volunteer event on September 17th, and the Happy Hour on Thursday, September 15th.

## KIWANIS ONE DAY - SATURDAY, OCTOBER 22, 10AM-1PM

**SAVE THE DATE!** Our club will be volunteering at the DC Sheriff's substation in Highlands Ranch. We will be teaming up with the Thunderridge Key Club collecting cell phones and small electronics. I will be sending out an email with the flyer for you to email to your friends and family. Let's work together to make this a successful event.

THE MORE  
YOU VOLUNTEER,  
THE HAPPIER  
YOU BECOME.

BOARD 2022-2023 - We need to fill the following roles, Secretary, Treasurer, and Board of Directors(3). The current Board approved \$50 to be applied to your dues if you take on the role of an officer. Please reach out to a board member if you are interested. **Be a voice in the decision making of our club.**

## August 23 Meeting Zig Zag 6pm

Please welcome new member, Jim Terpstra, formerly with a Kiwanis Club in Scottsdale, Arizona. Jim has had a series of colorful careers first as a music teacher, then pilot, followed by Jeppesen senior vice president for Aviation Affairs and Flight Information Technology, and international speaker. He is now retired. See interview below for more on Jim's story.

We welcomed guests, Jeff and Adrianna Fustich who live in Littleton. Jeff is currently an engineer at Lockheed-Martin. Adrianna is also an engineer who previously worked at Lockheed Martin.

## Palisade Peaches Fundraiser

SEMD worked with the Kiwanis Club of Aurora. A great joint venture with a great club!

**Peach Sales were a great success!**

**Additional peaches were donated to a fire station and sheriff's department in Douglas County by Melissa Schupp. They were received with excitement and much appreciated. A thank you note from the Sheriff's Dept. is below.**

Hi!

I just wanted to send you a quick note to thank you for bringing peaches to the Highlands Ranch Substation! They were gone the same day!

Thank you for thinking of us!

*Thank you,*

*Janette Teller*

Administrative Secretary Highlands Ranch Division

## **Welby School Donations**

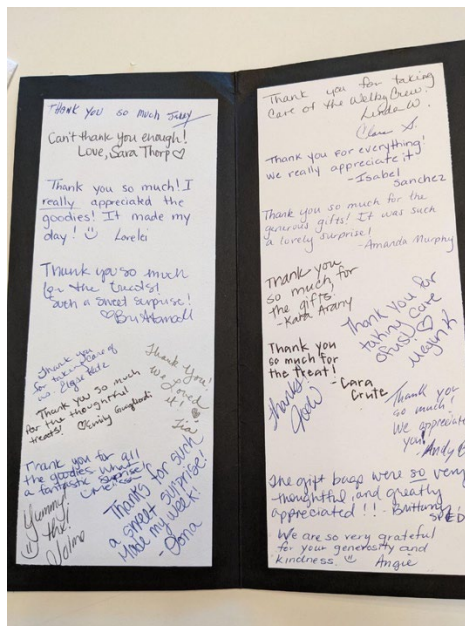

Sarah has been so kind to work with Welby Community School on behalf of Kiwanis SEMD. As we discussed at our club meeting in June, we wanted to provide support to the teachers at Welby Community School. (There are so many backpack programs for the kids, that we felt the teachers needed our help.)

Thank you for your donations. Along with your donations, SEMD spent \$500 on supplies for the teachers and staff at Welby School where Kiwanian, Sarah Gilbert worked as Assistant Principal for a five years from 2011-2017. Welby Community School is an at-risk school. Sarah and Mary Forhan went shopping for supplies while Sarah, Mary, and Gail Coombs sorted them and packed them into gift bags.

Sarah and Gail delivered the gift bags and peaches to Welby School where they were received and greatly appreciated. A thank you note from the staff is below.

**Thunder Ridge HS Key Club**

Thunder Ridge HS Key Club had its first meeting of the year Friday morning, August 19 at 7:15 am. They have great plans for the new year and hit the ground running. Pictured are the officers.

## Interview with Jim Terpstra

- 1. Why did you join Kiwanis in Arizona, and now Kiwanis SEMD?** Kiwanis affords me the opportunity to make the world better for children.
- 2. What have you most enjoyed about being a member of the Kiwanis organization?** Being in Kiwanis has given me the opportunity to raise money for children's playground equipment and work at food relief organizations to help feed impoverished children.
- 3. What events/projects are you looking forward to?** I look forward to the Pints and Pinots to help raise money for the Kiwanis' programs.
- 4. What roles have you played in the Kiwanis organization? How would you like to get involved in SEMD?** As a member of the Fountain Hills (AZ) club, I was on the Board for a couple of terms. I also was part of a team that helped to clean up the landscape of some shut in people. We also spread materials around a playground to help keep children from hurting themselves.
- 5. Tell us a little about your background, family, education, etc.** I am married (60 years in December) and have two daughters who each have three children - so six grandchildren and spouses, and have one great grandson and a second on the way in a couple of weeks. I grew up in Bozeman, MT, was in the Army Band, two years of college in Michigan and graduated with a Bachelor's Degree as a Music Educator. Became a flight instructor at Midway Airport in Chicago, then went to work at Jeppesen as a text book writer. Then promoted to aeronautical chart design and aeronautical databases. Retired after 36 years at Jeppesen and then 10 more years consulting for Jeppesen. I chaired or co-chaired number international aeronautical standardization committees and was the speaker Jeppesen sent to respond to all requests for an aeronautical speaker.
- 6. What are your passions/hobbies?** My passion is singing. I belong to the Cherry Creek Presbyterian Church Sanctuary Choir. I also belonged to the Mountain View Presbyterian Church Sanctuary Choir in Scottsdale, AZ where I also played my Euphonium as a solo instrument and also part

of the church choir. I also was a member of the Fountain Hills, AZ Concert Band where I played my Euphonium.

7. **What gets you up and excited about the day?** What gets me up today is my current flight instructor students and working on my 32,000 pictures on my computer. I also love working on my computer and helping others who need computer help.

#### **Additional bio information on Jim Terpstra:**

After 36 years with Jeppesen, Jim retired May 2004 from his position as Senior Vice President and Flight Safety Officer. He continued as an Executive Aviation Consultant working for Jeppesen for ten years about half time and pursuing hobbies in his remaining time.

Before working for Jeppesen, Jim was a full-time instrument and ATP flight instructor and holds an Airline Transport Pilot Certificate, Instrument and multi-engine flight instructor certificate, advanced ground instructor certificate and has over 7,000 hours of flight time, including about 3,800 hours of flight instructing.

Jim was responsible for the early days of Jeppesen's new NavData business and was also responsible for the design of Jeppesen charts and databases for over 30 years. During his career, he was responsible for the production of Jeppesen's Flight Information services.

Jim was the author and editor of many Jeppesen Sanderson training materials including the Airline Transport Pilot textbook and co-author of the Cessna Pilot Center Training Program. Additionally, Jim has written over 100 articles published in various aviation magazines. His most recent series were articles on paper and electronic charts and databases that appeared in the AOPA Pilot Magazine.

Jim was an advisor to the FAA on the ICAO IFPP (instrument flight procedures panel) and was responsible for writing the international standards for instrument approach procedure titles, magnetic variation standards, worldwide MEA, MOCA, and MAA standards, and consulted on numerous other international standards.

In addition to Jim's Jeppesen work, he was the chairman or co-chairman of many industry committees such as the ARINC 424 Navigation Standards, ATA Charts, Database, and Avionics Harmonization Task Force, RTCA SC-181 WG2, Industry Requirements for Aeronautical Information, RTCA SC-206 AIS Data Link, RTCA SC-217 Terrain and Airport Database Requirements, the SAE G-10 Aeronautical Charting Standards Committee, and the Flight Safety Foundation International Advisory Council.

Jim was asked by the FAA and chaired the committee that established Advisory Circular 20-153B that sets the standard for the processes of aeronautical database integrity.

Jim is currently a part time flight instructor for Southwest Flight Center in Scottsdale, AZ and has two active instrument students as well as is conducting many IPCs, BFRs, and airplane checkouts. Jim's most recent students just passed their CFI check ride, instrument, and private pilot check rides. Jim also teaches a week long class on international aeronautical database standards every year in Interlaken, Switzerland.

## **Back to School Event**

### **Past Volunteer Event**

On August 6 Kiwanis SEMD Teamed up with Kids to Clothes of Denver. A back to school event at the Science and Tech Middle School in Aurora. There were over 300 students and parents in attendance. We handed out Bombas socks and misc. school items. We were making parents aware that they can go to Clothes to Kids of Denver to get a wardrobe for their children at NO COST. We will be volunteering at Clothes to Kids in the near future.

Thanks to Melissa & Rosy for getting out to this event to get the word out about Kiwanis.

## Parker Days Festival

Past Volunteer Event

The Kiwanis SEMD Club was provided Saturday, June 11th to work the beer/wine/seltzer booth and earn some funds for our club. We earned \$10 an hour for our club. Plus, a prorated share of the tips. You did NOT need tips certification to participate in this event.

[Happy Hour](#) – Contact Rosy with questions

[Clothes to Kids](#) – Volunteers needed

[Future Volunteering Events](#): Please reach out to Mel or any of the volunteers listed on the event, if you would like to join in on the fun. The more the merrier.

*Help and Hope -TBD*

**Colorado Feeding Kids** – Colorado Feeding Kids event on Saturday, September 17, 1-3pm. This is a great opportunity to include family and friends at this event. Please contact Dave or Gail if you plan to participate.

### Volunteers Needed

Head up Adopt a Family for Christmas, Ronald McDonald House, Brent's House, Clothes to Kids, Key Leader chaperones, reading to kids at local libraries, and Beyond the Walls. Please let Melissa Schupp know if you wish to champion any of the volunteer activities. Beyond the Walls at Shiloh House - Beyond the Walls joins the services provided by Shiloh House to complete the continuum of support for youth ages 16-26 as they become successful, productive young adult members of their local communities. Beyond the Walls creates a seamless tapestry of support for young people as they transition from out of home care to independence. Through a vibrant Community Resource Network young people link to resources and mentors which provide life skills, learning opportunities and tools to help every young person achieve their goals for the future.

## 911 Cell Phone Bank

### Cell Phone Donation Program – Teaming up with Thunder Ridge Key Club school year 2022-2023

Our program relies on the donation of cell phones, smartphones, and other electronic devices that are left. We can handle all lost and found as well as collecting unclaimed electronics.

*We work with many venues that send us **unclaimed cell phones** and other electronic devices lost on their properties. This is free to you and helps the community. We help manage this very important part of your lost and found.*

When there are victims of natural disasters, COVID, victims of abuse, including human trafficking, we help by providing cell phones and airtime. As you may know victims quite often have no means of communication. We work with shelters and law enforcement agencies nationwide to provide cell phones at no cost to victims.

### Data Security

We utilize third-party verification software to guarantee data erasure of all electronic devices according to the DOD NIST 800-88 Rev. 1 guidelines.

- Devices that cannot be erased are disassembled for parts and sent to our certified EPA R2 Recycler to reclaim precious metals. This keeps landfills free of e-waste.

Consider saving your old cell phones to donate in the fall.
