SCOTTSBLUFF CLUB

March 2023
Volume 94, Issue 6

President's Corner

Our decision to cancel the last monthly club meeting this year and do a social every month instead has been a great success! The idea came from the membership survey Jennifer Schwab conducted a couple years ago and I think it is one we can possibly adopt not only for my term but the future. We've had twenty people at the last two events and that includes leaders from the Gering Club, which fits with one of my goals for the year, doing more things with our sister club.

One of the things that is not happening is better attendance at meetings, and that's despite great work by Jennifer and folks working with her every month to make sure we have a program every week. According to the membership survey, having a weekly program was one of the things people needed to see to start attending meetings again. I'm hoping as we get into warmer weather we will see more of you, even if it is only once or twice a month.

A reminder that if you have sold a business a corporate table for Crabby Tax Day or helped in getting a silent auction item for our event last year, I would appreciate it if you make that contact again. Corporate tables are still \$500 (eight tickets) and individual tickets are \$40 and \$70 per couple. Tickets for the April 29th event are also available by calling or texting me or shooting me an e-mail at k_tmooney@charter.net. The limit on tickets is 320 and the corporate tables, if we sell as many as last year, will take up close to half of that.

And a quick shout out to the Scottsbluff Builder and Key Clubs, who raised \$1,000 through a raffle for classmate Alyssa Spurgeon, who is undergoing treatments for lymphoma. The club matched their donation to hopefully help provide a little monetary relief for the family as they make trips back and forth to Colorado for those treatments.

Have a great March,

Kevin

MISSION

Kiwanis helps kids around the world. Local clubs look out for our communities and the international organization takes on large-scale challenges, such as fighting disease and poverty.

IMPACT

We are creative with our ideas. Whether rolling up our sleeves or opening our wallets, Kiwanians make transformative changes in communities around the world. On average, members of the Kiwanis family host approximately 150,000 service projects and complete more than 19 million service hours a year. Every year, our clubs raise more than US\$100 million to support community causes – in addition to supporting the Kiwanis Children's Fund.

HISTORY

Kiwanians have a smile so big, you could say it stretches more than a hundred years. What started as a way to bring people together for the greater good has grown into a global network of do-gooders – connected by a love of people and possibilities.

VALUES

We are passionate about making a difference. Helping kids grow and succeed is at the heart of everything we do. But how we do it is just as important. We believe our neighborhoods and our world are best served when people of all ages and different backgrounds work together to share their time and talents.

STRUCTURE

Kiwanis International is organized into clubs, divisions, districts and international. This multi-leveled leadership hierarchy means members are supported by a larger network of leaders who are prepared to help clubs be successful while improving communities.

Club & District Leadership

2021-2022 Club Leadership

President Kevin Mooney
President Elect Kristen Palser
Vice President Cinda Munoz
