Wine Time 2023—On the evening of February 4th, we again partnered with Team Player Productions and hosted on a wine tasting event of Canvas Stadium on the Colorado State University's campus. There were stands where a number of red, white, and rose wines were served to guests by Kiwanis volunteers. In addition, there was a stand where champagne was served and another stand where mimosas were served. A number of delicious snacks were also available.

2nd Sunday @ 5 Meeting — Our February 2nd Sunday @ 5 meeting took place on February 5th at the Adriel Hills Clubhouse. The meeting was hosted by **Jim O'Neill** and his wife Jackie Tomlinson. The meeting was a celebration of a great Gingerbread House project and a successful Wine Time event. Jackie prepared a delicious lasagna which was accompanied by a variety of excellent salads and desserts brought by fellow members and a large selection of wines left over from Wine Time. We had a great turnout, great food, and a wonderful time. A large number of members and their spouses or partners participated.
