November 2023
Volume 95, Issue 2

President's Corner

Dear Fellow Kiwanians,

Wow, October flew by so fast, lots going on.

Its been a great start. I have visited with so many of you and still plan to be able to visit with each of you.

We had some great programs in October with Region One visiting and we gave out the Youth Award to Nate Rock, an exceptional teacher and has been instrumental in growing the local Soccer program. He and his wife attended our Evening meeting. Oct. 25th, we had a great turnout on our Member Appreciation dinner with half the membership showing up. It was great to see some of you that have not been coming, and Lt. Gov. Raul Aguillo installed officers and board members. Starting a new year, we are going to focus on our members and getting more involved in the community.

Going into November, we have a busy schedule with programs on Nov 2nd (Habitat for Humanity) and Nov. 9th (Scott Schaneman NRD) at Noon, and our evening meeting on Nov. 16th.

Nov. 11th is our Annual Bowling with all our Kiwanis family. And we start up with our Christmas Tree Sales with setting up on the 12th.

Review the calendar on the next page for November activities and meetings. Also, we will have 2 regular meetings in December with Music, so I hope all of you can make at least 1 of the meetings and enjoy some Christmas Cheer.

My challenge to each of you this month, please try to make ONE of the 2 meetings, would love to see at least 12 people attend and also if you can help out with Tree sales at least 1 or 2 shifts for this month.

There are over 300 hours that need to be covered, so Jeff needs help in getting those hours covered. Great family time, if you bring your family or a friend and spend a few hours selling trees!

I look forward to seeing everyone at a meeting this month and at the events we have scheduled.

Sincerely,

Cinda

MISSION

Kiwanis helps kids around the world. Local clubs look out for our communities and the international organization takes on large-scale challenges, such as fighting disease and poverty.

IMPACT

We are creative with our ideas. Whether rolling up our sleeves or opening our wallets, Kiwanians make transformative changes in communities around the world. On average, members of the Kiwanis family host approximately 150,000 service projects and complete more than 19 million service hours a year. Every year, our clubs raise more than US\$100 million to support community causes – in addition to supporting the Kiwanis Children's Fund.

HISTORY

Kiwanians have a smile so big, you could say it stretches more than a hundred years. What started as a way to bring people together for the greater good has grown into a global network of do-gooders – connected by a love of people and possibilities.

VALUES

We are passionate about making a difference. Helping kids grow and succeed is at the heart of everything we do. But how we do it is just as important. We believe our neighborhoods and our world are best served when people of all ages and different backgrounds work together to share their time and talents.

STRUCTURE

Kiwanis International is organized into clubs, divisions, districts and international. This multi-leveled leadership hierarchy means members are supported by a larger network of leaders who are prepared to help clubs be successful while improving communities.
