Recap from 2/7

Commander Sullivan,
Lieutenant Renee Bunting and
Sheriff Mikesell joined us at last
Wednesday's meeting to talk
about crime in Teller County

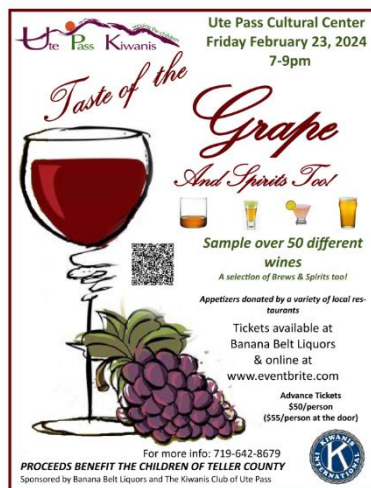

Any Kiwanian, child or
teenager is encouraged to
attend to spread some joy to
the residences

It was shocking to hear how much crime has increased in the last few years.

We have more than 28,000 people in Teller County (a large increase in the last few years). With the increased number of people here and those that pass thru the county, it has brought the increase in crime as well.

The Sheriff's office has been diligent on keeping those numbers down. We have as much crime as Fountain even though they have over 60,000 people in that city.

The cartel and other bad characters from other counties are learning that you will get stopped in Teller County due to the outstanding TCSO!
