## SCOTTSBLUFF CLUB

June 2024  
Volume 95, Issue 9

### President's Corner

Welcome to Summer, In May it was wonderful seeing all the scholarship winners. A huge thank you to those who come to the meetings and have participated in our projects. This year is going by fast, and I am still hoping to see a few more faces, we have 3 new members, and working on a 4th new member, so participation is crucial to get these new members involved.

June is going to be busy starting Saturday June 1st, with the All Star game at Bearcat stadium. Saturday June 8th, 9-Noon - plan to come bring family and friends and lets enjoy a morning of refurbishing and refreshing the Trails of Fun Playground. If I could get some RSVP's so we know how much refreshments we need to bring.

We have programs for each of our meetings on Thursdays, June 6th and 13th at noon and a program for the evening on Thurs. June 20th. June 25th from 9:00-11a.m. we are reading to preschoolers at Scottsbluff Library in the park in front of the library to present "Josh the Otter" water safety program We probably need about 4 volunteers for that time, to read and hand out "Otter packets" and certificates to the attendees. I will travel to Lincoln, in the next couple of weeks to pick up everything for this event to save money on shipping.

July programs I believe are set as well for 1st two Thursday Noon meetings. We will not have a formal evening meeting, however, watch your emails for the social coming up. I would love to know where you all would like to meet for a social in June and July. If you all would want to come out to the lake for a social, I would be open to entertaining you all. Just let me know.

Kiwaniis in Action!!!! We are busy Kiwanians!!! I would also like to get shirts, so send me ideas on logo, slogan anything.

Have a great summer and look forward to connecting to you all !!!!

Cinda

## MISSION

Kiwanis helps kids around the world. Local clubs look out for our communities and the international organization takes on large-scale challenges, such as fighting disease and poverty.

## IMPACT

We are creative with our ideas. Whether rolling up our sleeves or opening our wallets, Kiwanians make transformative changes in communities around the world. On average, members of the Kiwanis family host approximately 150,000 service projects and complete more than 19 million service hours a year. Every year, our clubs raise more than US\$100 million to support community causes – in addition to supporting the Kiwanis Children's Fund.

## HISTORY

Kiwanians have a smile so big, you could say it stretches more than a hundred years. What started as a way to bring people together for the greater good has grown into a global network of do-gooders – connected by a love of people and possibilities.

## VALUES

We are passionate about making a difference. Helping kids grow and succeed is at the heart of everything we do. But how we do it is just as important. We believe our neighborhoods and our world are best served when people of all ages and different backgrounds work together to share their time and talents.

## STRUCTURE

Kiwanis International is organized into clubs, divisions, districts and international. This multi-leveled leadership hierarchy means members are supported by a larger network of leaders who are prepared to help clubs be successful while improving communities.
