The Moose is Loose!!

1/29 Meeting Recap

We had the pleasure of hearing from Annie Durham with the CCV School District.

**Come join the fun of a
Kiwanis After Dark
meeting**

Next Meeting:

How wonderful to hear the great strides they are making. Academic scores are increasing along with student graduation rates. All of this even though they continue to have struggles with keeping good teachers, the transient type of community and acquiring funds.

We will continue to support CCVSD as we can.

With the help of our wonderful Loyd and Candy Mowery, we had a strong K-kids program in the elementary school for many years.

Unfortunately, since the Mowerys have moved to Monument, we haven't been able to continue that program without them.

If you would like to make a difference in the Cripple Creek community - please contact us.
