CLUB OF DENVER

It's hard to believe we're already three months into 2025... but I'm so excited about this year - what we've done and what's to come!

One personal highlight for me has been seeing our partnership with the **Colorado Gives Foundation** come to life. This collaboration opens a whole new chapter for our club, creating more opportunities for impact right here in Colorado. **For club members**, we'll be visiting the CO Gives at our **April 15 meeting** to hear about what's next for us.

We've also got some awesome volunteer opportunities coming up. We'll be supporting **Soles4Souls**, **Metro Caring**, and **CO Feeding Kids**. With CO Feeding Kids opening their new location in Aurora earlier this year, we've been volunteering with them more regularly—a great way to help fight food insecurity.

Volunteer events fill up quickly, but I encourage you to join the waitlist on Meetup! Spots often open up closer to the event.

I'm also proud to share that our club has already hosted **9 (nine!!!) volunteer events in 2025**—and we're just getting started! It's been amazing to see so many of you show up to serve the Denver community.

I'm looking forward to seeing you all at an upcoming event soon!

Cheers,

Julie Pinto
