4th of July party on the 4th

Mike and Cindy Tanner will be hosting a 4th of July party on Friday the 4th. The fireworks will be shot off on the 4th. Come about 6:00 and stay for the fireworks.

This year bring your own food, eating utensils, and chairs. Mike and Cindy will provide drinks, BUT it is good to bring drinks to share. Mike will provide a large cake for dessert. It is not a potluck this year.

If you choose to, bring a nonperishable item to donate to a local food bank. - Ken

Sad News – from Dave Devanney

It is with a heavy heart that I inform you that yesterday I lost the love of life. We went to the hospital for a somewhat risky procedure to biopsy an abnormality in one of Linda's lungs.

During the procedure they began to see significant bleeding that was collecting in her lung.

They were unable to find the source of the bleeding to stop it. They began blood transfusions and other emergency procedures. Eventually her heart stopped and she lost blood to her brain.

Despite many hours of work by her medical team, we finally had to let her go. Our family has begun the grieving process and asks your understanding in the days to come. We will be planning a memorial service at a later date.

For those who wish to honor Linda's memory, please consider a donation to the Friends of the Highlands Ranch Senior Center.

Sheridan Food Bank

This past Thursday, more of our neighbors were willing to risk being caught in a thunderstorm; we served 184 families (600 neighbors). For the coming week, we can use

- dry pasta
- peanut butter
- jelly

We continue to be well-stocked with plastic bags and egg cartons currently.

Thank you,
Stephanie

Thanks

We have so many things to be grateful for, but do we ever thank people. If you want to thank someone in the newsletter let me know, I will add it here.

This week I want to thank the speaker chairperson.

Please thank her in person or by email. She can use suggestions for speakers. Many of us have had interesting careers, perhaps it would be interesting to the club.

How many in the club have met face to face with Bedouins carrying AK47s. Is there a story there.
