Speaker Co-Ordinator

Lori Conway, for many years, has been the organizer of our Wednesday morning speakers. Starting Jan 1st, she will be stepping down from that role and passing it along to Ruthann and Brian. They are thinking of forming a committee of people to help brainstorm and locate speakers. If you have any interesting ideas or would like to be on the committee, please reach out to either Brian or Ruthann for details.

Bringing in speakers to our club is a crucial part of our Wednesday meetings. The Club would like to thank Lori for all her years of service in this area! - Lane

Satellite Group

The Satellite Group meets the 1st and 3rd Tuesdays each month at 12:30 PM at the Colorado Credit Union, 10026 W. San Juan Way. You are most welcome to join us anytime! Our next meeting will be this coming Tuesday, Jan 6th. Our presenter will be George Kinzer with an informative program on the Normandy Invasion (D-Day, June 6, 1944). Hope you can join us.

A thought for the New Year: It is better to have laugh wrinkles than worry warts! - Charlie Boyer

New Speaker Co-Ordinator

I have taken over the role of providing speakers for our Wednesday meetings. I replaced Lori Conway who served in this capacity for 7 years. Thank you, Lori, for your hard work and success in providing our speakers. Many members do not know, or do not remember, that prior to becoming Treasurer 7 years ago, I was the program chair.

Here is a short description of my strategy for speakers. In the following nine months of the fiscal year (January through September) there will be 39 meetings.

Social Time: any month with 5 Wednesdays, such as April, July and September.

Student of the Month: the second Wednesday of the month, of January through May.

Charities that the Foundation supports: 6 charities are in the current Foundation Budget. I will have one per month.

I have two rules: no speaker who wants to sell us a book that he self-published; and no speeches on investment strategies. That leaves 25 speaker slots. I like to work a full month at one time. So, I have already done January and will soon start of February.

I am happy to have members volunteer for a talk. And I want your suggestions!

Be creative! Remember the talks: Rent a Chicken, and Bee Keeping (those were two of my favorites)

Kiwanis Board Meeting

The Columbine Kiwanis Board Meeting will be this Tuesday, January 6th, at 6:00 at the Columbine United Church. All members are welcome

Lori's adventure

Last week we had a biography of Lori Conway and some of her adventures. Only a few were discussed, ask her about others.

Meals on Wheels

Riggs send out the new meals on Wheels Schedule. It is one of our better projects. It likely has the most hours and number of volunteers.

I assume you have all thanked Riggs for chairing this great project.

In many cases the Meals on Wheels Clients have no other visitors. They get both a good meal and a short conversation.

If you would like to join our driving team contact Riggs or reply to this newsletter. - Ken

Bell Ringing

Another good year. Collection as shown, not airlifted or not including change.

Results \$15,595 collected, 164 hours bell ringing, 1,237,214 Merry Christmases

We rang 82 2-hour time slots, most by one person sometimes by several. We had help for the Key Clubs and friends on Columbine. A big thank you to those that rang several times, particularly Anita and Ferris. We helped a lot of kids,
