Dear Kirstin,

I hope this letter finds you well. Please accept this letter as my official notice of candidacy for the office of Governor-Elect for the Rocky Mountain District for the 2026-2027 term.

I have been a proud member of the Kiwanis Club of Wheat Ridge since [2008], and I have been actively involved in the Rocky Mountain District since 2008. Throughout these years, I have fully committed to supporting the district in various ways and have worked diligently alongside others who share a passion for service.

During my time serving with the Rocky Mountain District Leadership team, it has been a great experience working alongside clubs to help them strengthen membership and support them in numerous ways. For the past eight years, I have been honored to work alongside our past Governors and Leadership Team. I feel that I would be able to take the knowledge that I have learned, and implement it into expanding our District.

I was in Scouting for 18 years, where I achieved the rank of Eagle Scout. This foundation has guided me in my continued service, and I am eager to further contribute to the district's success and growth. I am strongly committed to helping move the Rocky Mountain District forward into the future. I am eager to help build the pipeline, and get new leaders. I can't imagine our communities not having Kiwanis to feel the needs and bring our communities together.
