**RE: Dominick Breton – Nomination for Candidate: Governor Elect of Rocky Mountain District**

Dear Kirstin,

On behalf of the Wheat Ridge Kiwanis Club, it is our genuine pleasure to enthusiastically endorse Dominick Breton as a candidate for Governor Elect of the Rocky Mountain District. Dominick is the kind of leader who makes everyone around him better – and we couldn't be more proud to call him one of our own.

If there's one word that captures who Dominick is, it's commitment. Since joining our club in 2008, he has shown up – consistently, wholeheartedly, and with incredible energy. Whether serving as a club officer, dedicating five years as Kiwanis Lieutenant Governor, or taking on the role of District Membership Chair for three years, Dominick has approached every responsibility with the same level of passion and professionalism. He has been a steady hand in opening and strengthening clubs across the region, and his presence at International and Regional Conventions, district meetings, and community fundraisers is a testament to how seriously he takes this work.

Dominick's impact on youth in our community is something we're especially proud of. He founded the Key Club at Wheat Ridge High School, which grew to 25+ members in its second year – a reflection of how naturally he connects with young people. He also played a key role in establishing and growing the Builders Club at Everitt Middle School. Dominick doesn't just talk about serving children; he rolls up his sleeves and makes things happen.

Perhaps what sets Dominick apart most is the way he builds bridges between Kiwanis and the broader community. Schools like Wheat Ridge High School, Everitt Middle School, Stevens Elementary, Eiber Elementary, and Prospect Valley Elementary all have meaningful, lasting connections to our club – and that's largely because of Dominick's vision and effort. He has championed initiatives including the Ring of Fire Awards, LEGO competitions, International Day, monthly student and faculty recognition, Little Libraries, HUB support, bus ticket assistance, food support for families, the Easter Egg Hunt, Bell Ringing events, and end-of-year celebrations. The list goes on, and so does his enthusiasm.

On a personal note, many of us in this club, like me, joined – or deepened our involvement – because of Dominick. His encouragement is genuine, his mentorship is meaningful, and his belief in our mission is contagious. He doesn't just embody the spirit of Kiwanis; he actively spreads it wherever he goes.

We know Dominick Breton will be a fantastic Governor Elect and wholeheartedly endorse him for this role! The Rocky Mountain District would be fortunate to have him leading the

way. Please don't hesitate to reach out if you have any questions – we are happy to speak to his character, contributions and leadership skills at any time.

Warmly,

Wheat Ridge Kiwanis Club
