Approved Project List

One of our club members asked me if our Approved Projects List was up to date. I did not know what they were referring to, so I had to do some research. The idea is that our club has a list of projects we sponsor/generate/run, and if on the official list, they are covered by our Kiwanis Insurance. We have such a list, but it's not been looked at for a while, and I wasn't sure how often it needs to be updated. I reached out to our RMD Governor, Andrea.

She reached out to their Legal Team or someone who knows about insurance matters for Kiwanis. Their reply is below. How I'm understanding this is that:

1. The Approved Projects List is a thing of the past.
2. Any project we lead is covered under our club's general insurance policy.
3. Projects our members join in that are run by other organizations would fall under their general insurance policy, not ours.
4. There's no need for us to update our Approved Project List going forward or even have one.

Let me know if you all agree. - Lane

Sharing with Sheridan

We were busy, busy as we gathered to serve an unusually large crowd of 204 families (641 neighbors). For next week's distribution, we can use canned bean, pasta sauce, peanut butter, jelly and honey

Thank you for your continued support of our neighbors.
Best - Stephanie

Satellite Group

The Kiwanis Satellite Group meets Tuesday, June 2nd at 12:30 PM at the Colorado Credit Union, 10026 W. San Juan Way. All are welcome!

Our regular meetings are on the first and third Tuesdays of each month at 12:30 PM. You are always welcome to join us!

Project CURE

Please note that our Project CURE schedule will be somewhat modified this month. The updated schedule is as follows:

- May: We will not visit on Memorial Day. Instead, we will go on Monday, June 1, from 9:30am to Noon. Carpooling is available at 9:00am from the 4Gs parking lot..
- June: We will visit a second time on June 29.

Our activities typically include sorting medical and surgical supplies by expiration date or type. These items are later shipped to provide essential medical care in developing countries.

Members and friends are welcome to join us for these visits, and instructions will be provided for all participants. You can sign up by visiting our Signup Genius site for Project CURE.

Best regards - George

Library Activities

All programs take place at the future home of Deer Creek Library located at 11100 Bradford Rd, Littleton, CO 80123

Coming up this week is one you all might enjoy:

[Active Minds Presents Pompeii](#) – 6:30-7:30pm – Tuesday, June 2

Explore the ancient Roman city of Pompeii, famously preserved by the catastrophic eruption of Mount Vesuvius in 79 CE. With Active Minds you will learn about daily life frozen in time – from bustling markets and grand villas to public baths and theaters. Discover the lives of aristocrats, merchants, slaves and families through archaeology, art and architecture. Learn how Pompeii's sudden destruction offers a unique window into Roman society, culture and urban life nearly 2,000 years ago!

For Adults and Teens.
