HOW YOUR SUPPORT HELPS KIWANIS YOUTH IN ACTION AND SERVICE-LEARNING CLUBS

Kiwanis Youth in Action volunteers paint houses, build handicap ramps and perform general services for those in need. The program includes 18 work projects each year involving over 700 teens and 300 adults to share their time, talents, and resources with those in need who have homes in disrepair, that the owners are unable to repair themselves or are disabled.

In addition to the two Key Clubs at Vero Beach High School and Indian River Charter High School, Vero Beach Kiwanis has expanded Service-Learning Clubs into the elementary (K-Kids) and middle schools (Builders Club). Service - Learning Clubs are now in Imagine Charter School, Indian River Academy, Osceola Magnet School, Fellsmere Elementary, Beachland Elementary and Dodgertown Elementary. Projects have included school beautification (planting, weeding, and mulching) at all participating schools and volunteering at Shining Light Garden. Long-term goals are to have Kiwanis service clubs in all Indian River Schools.
