CUMMING KIWANIS ANNUAL PECAN SALES FUNDRAISER

The Cumming Kiwanis Club has begun their Annual Pecan Sales Fundraiser to support scholarships given at the High Schools in Forsyth County. These scholarships are presented to one graduating senior from each school, who is an active member of Key Club, our Sponsored Youth Program at the High School level

The cost for these exceptional pecans is \$15.00 per 1lb resealable bag.

The pecans were shelled at the beginning of November, and are fresher, and higher quality, than you will find in any grocery store.

Great for Holiday baking, gifts, or enjoying right out of the bag.

Place your order today with a Kiwanis member today.
