# What, How & Why In Action

District Administrator Lisa Brichacek

## What + How + Why Connection

### Your nurture commitment

When you **connect clubs to tools and training** (the what), and you do it by **empowering leaders rather than fixing problems for them** (the how), clubs become more capable and independent.

**Capable clubs retain members, grow sustainably, and provide consistent and impactful service to their communities** (the why)."

## What + how + why in action

1. Review the Lieutenant Governor Monthly Checklist and put key dates on your calendar.
2. Familiarize yourself with the club membership plan options so you can coach clubs toward the best fit.
3. Identify your division's support priorities: clubs that are thriving, clubs that are surviving, and clubs that may be wavering.
4. Plan your first round of relationship-building check-ins with club leaders.

I will \_\_\_\_\_ by \_\_\_\_\_ because \_\_\_\_\_.
