

Signature Project rules

Please remember the following rules, instructions and criteria for the Kiwanis International Signature Project Contest:

1. Each district may submit one club-level signature project in each group to represent the district. Group I clubs have 27 or fewer members. Group II clubs have 28 or more members.
2. Each participating district will be responsible for designing its selection process for deciding the club-level projects that represent the district.
3. The contest submission period opens at 12 a.m. ET on Tuesday, January 2, 2024, and ends at midnight ET on Thursday, January 25, 2024.
4. Submissions must be submitted through the online submission form.

All contest submissions will be confirmed as received via a confirmation email to the submitter. After the submission period has ended:

1. Members of the Kiwanis International Board Committee on Service and Partnerships will review all submissions that meet contest criteria. The committee will select the top 10 finalists in each tier. The committee will select the gold, silver and bronze winners (the top three in each group).
2. The decision of the committee is final.
3. Finalists and their respective districts will be notified of their status by Kiwanis International.
4. The top 10 finalists will be acknowledged during the Kiwanis International convention, and the top three — gold, silver and bronze — projects in each group will be awarded US\$2,000, \$1,500 and \$1,000, respectively.
