Eclectic Dulcimers to Perform Live for Kiwanis

The Eclectic Dulcimers” are a group of eight women from Madison County, Ky. They adopted that name because they play a wide variety of songs in many genres.

Several of the ladies were friends and discussed their love of dulcimer music and decided to form a group slightly more than a decade ago.

Their first performance was in 2011 and they have been performing ever since.

We appreciate Marilyn Roberts, the group’s leader, for helping to arrange a performance by “The Eclectic Dulcimers” at the Kentucky-Tennessee Kiwanis Convention scheduled live from August 5-8, in Berea, Ky.

KY-TN District Convention Official Program

Hello,

The Kentucky-Tennessee District would like to extend an invitation to you, your club or your company to place an advertisement in the 103rd Annual KY-TN District Official Convention Program.

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. Kiwanis and its youth-oriented Service Leadership Programs serve communities in more than 80 countries and geographic areas.

Founded in 1915 in Detroit, Michigan, Kiwanis International now comprises 600,000 members — men, women boys and girls — worldwide.

As a part of this worldwide organization, The Kentucky and Tennessee District, with nearly 4300 members in 138 clubs, carry out many projects to assist the children of our community in many ways. We raise money through Pancake Breakfasts and Soup Suppers, Peanut sales, and host Community events such as rodeos, fireworks, and athletic competitions. The money raised is then used to purchase items such as shoes, clothing, food, playground equipment, and many other needs that improve the lives of children.

This year our annual district convention will be held August 5-8, 2021 in Berea, Kentucky. We would like to offer you the opportunity to be a part of the 2021 convention by placing your advertisement in our official program where approximately 250 members will attend.

Education Enrichment Workshops

The Legacy of Mr. Rogers

Jeremy Holbrook

(Mr.) Fred Rogers was one of the world's most influential people over the last century. His unique ways of teaching, challenging, and encouraging both children and parents became the foundation and blueprint for educational public television. With over 900 episodes of his famous program "Mr. Rogers' Neighborhood", the 2018 documentary, and the 2019 drama film starring Tom Hanks; many of us have learned unique things about the world's most famous neighbor; but in this break out session we'll learn about what inspired Fred to become Mr. Rogers, his family background, his hometown (Latrobe, Pa), and the everlasting legacy that he ultimately left behind.

This workshop will be led by Jeremy Holbrook; the Founder and Director of "The Big Idea Camp"- a character development program in over 100 schools in Kentucky, West Virginia, and Ohio. Jeremy also partners with The Fred Rogers Center in Latrobe, PA helping them work with schools across the country.

How to Geocache for the Gems of Berea

Jennifer Napier

Did you know there's a hi-tech adventure waiting at your fingertips - anywhere you go in the world? Have you heard of Geocaching & Adventure Labs? These are apps you can download onto your smartphone (free versions are available), and learn about local areas, see local sights, and become an outdoor adventure explorer no matter where you go. Geocaching is a hi-tech scavenger hunt that enables you to find actual containers camouflaged into a location. Once you find the item, you'll sign the log sheet inside and replace the container as you found it for the next person. A GeoTour is a specific set of geocaches in an area to find in which you can complete a challenge issued by a local entity (examples: National Parks, State Parks, Tourism, Chambers, etc.). An Adventure Lab typically offers a self-guided walking tour of an area which highlights local facts and history, but requires you to complete a sequence of stages by answering trivia questions you can only learn by visiting each stage. The Berea Chamber of Commerce host a GeoTour and an Adventure Lab and your trip to Berea, KY won't be complete without learning about this 24/7/365, hi-tech and family friendly activity. Attend this session to learn more and how to get started.

Greetings Fellow Kiwanians!

Your Kentucky- Tennessee District Foundation board is preparing so many fun things for you to enjoy at our upcoming convention in Berea.

First of all, we are just so excited at the prospect of seeing you in person! We are busy preparing for our silent and live auctions. One of our auction items will be this beautiful patriotic quilt. Wouldn't you just love to have this on display in your home? And, we have a fantastic printer from Lexmark. How great!

As always, we need your help. We would be so grateful if each of your clubs, as well as any of you individually, would bring something for us to sell.

Our Foundation Store will be up and running. Here in the *KT Notes*, please look for a picture and order form of the new jacket that Donna Ratliff has designed. I know you will agree that it is just terrific!

And, just wait until you see the new shirts we will have at the convention.

We are planning golf, golf and more golf!! Check out our golfing information here in the *KT Notes*. How much fun will this be?

As always, we welcome your donations. We have awarded 11 scholarships to our KT Family members, three Key Club scholarships, one Circle K scholarship and at least six Amtryke grants.

AMENDMENTS:

KY-TN District By-law change that must be voted on at DCON. (housekeeping amendment)

The change: The Kiwanis International Board decided to eliminate the new member add fee and charter member fee, replacing both with prorated dues for new members. All districts in North America whose dues billing and collection is handled by Kiwanis International *must* adopt this change. Additionally, districts *must* use the same percentage schedule used by K.I.

A club will be charged prorated dues for new members on a diminishing scale based on what month they join. The following Sept. 30, the club will be billed full dues for all members.

Proration schedule: At this time, in order for Kiwanis to make optimal use of the new platform at the best cost for the organization, the schedule is expected to be based on 1/12 of the full dues amount per month.

District Bylaw Amendment(s)

The move to prorated district dues requires a change to Article X, Section 2, of the Standard Form for District Bylaws, which will now be amended to read as follows. This is the language your district should adopt in its bylaws.

Article X – Revenue, Section 2. ~~New member add fees are charged by the district in an amount determined by [choose one: the House of Delegates or the District Board].~~ Prorated district dues shall be charged for each new member of a club on the same prorated schedule used by Kiwanis International.

Personally, I see service as a gift. Over time it can affect, not just one life, but an entire community. It is my desire to assure the continued growth of Kiwanis service in our district.
