# Kiwanis International Children's Fund

The **Kiwanis Children's Fund** has a mission to develop resources that transform the goodwill and vision of Kiwanis into programs that serve children. We do this through raising funds, granting funds, and providing services and resources to clubs throughout the world.

The Kiwanis Children's Fund (KCF) is a resource for you. We can help you develop fundraising strategies, apply for grants, and more. We offer grants that can benefit children in your community. These funds can assist you with signature projects that meet specific needs that align with the three KCF cause areas: health and nutrition, education and literacy, and youth leadership development.

## Micro Grants

Small grants can make a big difference! The Kiwanis Children's Fund has a long history of collaborating with Kiwanis clubs to fill gaps in their project funding via club grants. But what about smaller clubs with limited service budgets? The Children's Fund knows that small projects can have a huge impact on the lives of children, and so we are excited to launch our Microgrant Program!

If your club has **35 members or fewer** and is **in good standing** with Kiwanis International and the Kiwanis Children's Fund, you may qualify to apply for a microgrant of US\$250-1,000!

## Club Grants

Successfully applying for a club grant requires thoughtful preparation and thorough attention to the program's criteria. The keys to preparing a successful grant application can be found in our Guide to Club Grants. This document walks you through each step of the grant process — providing instructions, detailed background information, important dates, helpful tips and links to additional resources. See <https://www.kiwanis.org/members/grants-scholarships/club-grant-program/> for more information.

# KY-TN District Partnerships

## #KIDS NEED KIWANIS

The KY-TN District has developed partnerships which are designed for the benefit of district members and the children we serve in our communities. The District Partnership Committee has identified three service partners which are already structured so Kiwanis members can immediately utilize them in service to children in our communities. Secondly, the District Partnership Committee will continue seeking to develop community partners which will help individual members and stretch club dollars.

It is a privilege for Kiwanians to spend time ringing the bell during the Salvation Army Red Kettle Campaign. The Salvation Army relies on money raised to serve more than 25 million people in need each year.

A project to provide mobility trykes to physically challenged children.

Tap was created to address the lack of home computer access to children by refurbishing donated computers. The refurbished computers are then distributed to children through Kiwanis clubs in Kentucky and Tennessee and other Social Agencies.

## Defining Statement

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

## Objects of Kiwanis

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Kiwanis International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

**Object 1:** To give primacy to the human and spiritual rather than to the material values of life.

**Object 2:** To encourage the daily living of the Golden Rule in all human relationships.

**Object 3:** To promote the adoption and the application of higher social, business and professional standards.

**Object 4:** To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.

**Object 5:** To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.

**Object 6:** To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and good will.
