Candidate for Vice Governor 2025-2026

May 1, 2025

To: Kentucky Tennessee District

My name is Robbie Morris, and I am a member of the Kiwanis Club of Cynthiana and Kiwanis Club of Campbell County in Kentucky.

I am married to Kendra Morris, and we have 2 daughters and two grandchildren. We live in Cynthiana; KY and I am a general contractor who specializes in demolition and environmental cleanup and asbestos abatement.

I am running for the Vice Governor position this August at the Pikeville District Convention to help the KT District grow our membership and continue the great legacy that the KT District has built up over the years. As a lot of you know Kendra works on club growth for Kiwanis International. Over the years I have learned a lot about building Clubs in the District and all over the country. With her help and the help of other fellow Kiwanians I will try to build Clubs in our District in addition working on retention utilizing the same skills.

I will also promote, encourage and motivate members to engage on the local and district levels. I have great mentors, and I am always looking for ideas and ways to make the Kiwanis experience better for all. I would appreciate your support and look forward to work for all of you and the KT District.

Yours in Service

Robbie Morris

AT RAVEN ROCK....

Enjoy one of Kentucky's most breathtaking 18-hole golf courses, a beautiful marriage of the handiwork of man and nature. The course opened in 1995 as a 9-hole layout and expanded eight years later. Raven Rock is part of a remarkable strip mine reclamation project that encompasses some 2,000 acres in southeastern Kentucky.

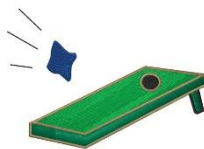

The course was built by TECCO Coal in the heart of reclaimed wildwoods. The prairie grass-lined broad fairways feature a wide-open links feel and striking elevations that reach nearly 3,000 feet around the property's dramatic quarry. Check out our fully stocked pro shop with some of the best equipment and apparel from Nike, Titleist, Srixon, and Callaway. Take in the breathtaking views overlooking this historic, peaceful valley and manicured greens with coal-mining origins into a sustainable development for generations to come.
