Why Youth Protection Matters

- Through KYP, Kiwanis serves over 300,000 youth program members each year
- During childhood, across all ages and socioeconomic levels:

➤ 1 in 4 Girls

➤ 1 in 13 Boys

experience child sexual abuse

Why Youth Protection Matters

Experiencing child sexual abuse can result in short- and long-term physical, mental, and

emotional health consequences, such as:

- post-traumatic stress disorder (PTSD),
- substance abuse,
- increased risk for suicide or suicide attempts,
- increased risk of re-victimization, and
- twice the risk of intimate partner violence (IPV) later in life

Why Youth Protection Matters

Abusers have in common:

- Privacy
- Access
- Control

Abuse is usually at the hands of known acquaintances and family members - NOT strangers

- More than 90% of abusers are people children know, love and trust
- 85% of child abuse victims never report their abuse

Why Youth Protection Matters

- Who? → • Youth from every socio-economic status, ethnicity, gender, big or small community
- What? → • Prevent adult-to-youth abuse and peer-to-peer abuse
- When? → • Anytime, any access
- Where? → • Private spaces: 1-on-1 interactions, bathrooms, cars/buses, hotels, etc.
• Online: texting, social media, gaming, etc.

YOUTH PROTECTION POLICIES & PROCEDURES (effective February 2020)

These policies can be found in Kiwanis International Policies and Procedures as Procedure 432.

All adults working with youth under the age of 18 at any Kiwanis event are required to read/understand, agree to and abide by these policies.

Education: Every Kiwanis club is expected to inform and educate its members on these guidelines, best practices and required actions for individuals who become aware of youth in potentially harmful situations. This education must occur annually, including providing a copy of these guidelines to each club member. Every Kiwanis district is expected to provide an educational forum or workshop at every district-produced convention and conference regarding guidelines and best practices for adults working with youth, using materials provided by Kiwanis International.

Chaperone: A chaperone is defined as a Kiwanis member, faculty member, parent, legal guardian or person who is in loco parentis, twenty-one (21) years of age or older, who has been approved by the school or agency and registered with the school or agency to accompany the youth members at the specific event.

Chaperone addition (Effective May 1, 2020): A minimum of one adult per 10 students must be serving as chaperones during the entirety of the event. All chaperones (club members and non-members) participating in any single-day or overnight service leadership program event must have a clear criminal history background check and must have completed Kiwanis International annual youth protection training. Additionally, chaperones must follow all applicable policies and procedures. (See also Procedure 432.)

Criminal history background checks: Kiwanis International requires clubs to have a clear criminal history background check for any club member serving as an advisor to any Service Leadership Program club. The check must be conducted and verified by Kiwanis International. Persons without a clear criminal history background check may not serve as the advisor. Approved background checks shall be valid for no more than two years. Kiwanis advisors shall acquire a new criminal history background check upon their initial appointment to the position.

District administrators for Service Leadership Programs (Effective May 1, 2020): Kiwanis International requires all SLP district administrators to complete an application process, which includes submission of a completed application, having a clear background check conducted and verified by Kiwanis International and completion of Kiwanis International youth protection training and any other elements that may be required by Kiwanis International. After receipt of an individual's application and verification of all required elements, Kiwanis International will review the information and decide, in its sole and absolute discretion, whether the individual is accepted to become an SLP district administrator. Kiwanis has no obligation to allow an individual to become an SLP district administrator based solely on a "clear" background check. Denial may be appealed via the process outlined in Procedure 197.

Overnight events (Effective May 1, 2020): All adults (club members and non-members) registered for or staying overnight at any Service Leadership Program event must have a clear criminal history background check and must have completed Kiwanis International annual youth protection training. However, parents/guardians of participating students who are not chaperones may attend the event for a maximum of one overnight stay without a criminal history background check.

Why Prevention Education is Important

When those who would do harm to youth know youth have been educated on this topic, they are less likely to target those youth.

Everyone needs to know the rules about what is OK and what is not OK for adults to do.

When adults know information, they can share it with youth.

Education increases the number of disclosures, which leads to interrupting additional abuse and to more youth getting the help they need.

YOUTH PROTECTION

As the premier provider of youth service clubs and programs, Kiwanis International holds itself and its members to the highest standards of conduct and awareness.

Each year, more than 300,000 youth take part in Kiwanis Service Leadership Programs like K-Kids, Builders Club and Key Club. And Kiwanis reaches millions more youth around the world through club and district service projects. When we work with and mentor youth during projects and activities, their care and welfare are entrusted to us.

Kiwanis members must know how to protect the youth with whom we interact. When we all share this commitment, we also protect ourselves and the organization we value.

Kiwanis International has taken extensive action to equip Kiwanis clubs, districts and Service Leadership Programs with the tools to provide safe and secure environments for youth.

Chaperone-to-Student Ratio Requirements

- **Single-day SLP event** = A minimum of 1 background checked adult per 50 youth
- **Overnight SLP event** = A minimum 1 background checked adult chaperone per 10 SLP members
 - 1 adult male for each 10 youth males or part of 10 youth males AND
 - 1 adult female for each 10 youth females or part of 10 youth females
 - Adults MAY NOT share sleeping quarters with students unless it is their child

Chaperone-to-Student Ratio Best Practices

- **2, 3, or more background-checked adults per activity**

Consider your ability to:

- Supervise & monitor
- Check in with youth regularly
- Allow a leader or chaperone to tend to an urgent situation while others lead the group

This will change depending on activity setting, agenda, and other factors

Having 2, 3, or more adults discourages inappropriate one-on-one engagement and can help hold student members and other advisors/chaperones accountable to the code of conduct and other program guidelines

Safe Virtual SLP Club Meetings

Like with in-person activities, we advise at least 2-3 background-checked adults in virtual programs

Whether you have 5 youth or 80, the recommendation is at least 2 adults

Youth Protection Social Media & Communication Policy

Social Media Connections	Social Media Connections	Social Posts	Photos	Rule of 3
Never initiate, follow, friend, or like posts or pages of individual students	Connect via an SLP club page/account and not an individual member account	Treat all social posts and interactions as professional and public	Never post pictures of youth on your personal social media pages	Avoid 1:1 student to adult texts and emails by adding an additional adult on electronic communication, e.g. another advisor/DA, parent or guardian

YP Policy & Practice

Transportation Best Practices

- At least three people in a car
- Student(s) ride in the back seat/rows
- Get parent/guardian approval prior to transporting
- Follow local school and traffic safety laws
- No texting or using phone while driving

Youth Protection Medication policy

- Possession of prescription and non-prescription medications should only be allowed with *written* permission from parent or guardian
- During overnight stays, keep parent or guardian signed medical forms safe and accessible for an emergency

Youth Protection Report Troubling Behaviors

If a Kiwanian observes troubling behavior involving a youth at a Kiwanis event, or becomes aware of a situation that is illegal or potentially unsafe for a young person at a Kiwanis event, or if the Kiwanian becomes aware of the troubling behavior after the event:

Kiwanian **must** immediately:

A screenshot of the Kiwanis Member Management web interface. The interface has a left sidebar with icons for 'Members' (an envelope icon), 'Secretary Dashboard', 'Club Bylaws', 'Education', and 'Membership'. The main content area is titled 'Member Management' and includes tabs for 'Sec. Dashboard', 'Member Admin', 'Monthly Report', 'Annual Report', and 'Finances'. Below these are buttons for 'Excel Directory', 'Printable Directory', and 'New Member'. A paragraph explains the page's function. Below this is a row of tabs: 'All Active', 'Corporate', 'Honorary', 'Satellite', 'Former', 'Life Member', 'Spouse', and 'Multi Club'. There is an 'Exclude Honorary Members' button. A 'Show' dropdown is set to '10'. A search bar is on the right. Below these is a table with columns: Name, Member ID, Email, Details, Edit, Delete, and Renew. The table lists three members: Susan, Leon, and J. Each member row has an 'envelope' icon in the 'Details' column. Red arrows point from the 'Members' icon in the sidebar to the 'Member Admin' tab, and from the 'envelope' icon in the table to the 'Background Check' link in the 'Details' column of the second row (Leon).
