CLUB OF TIGARD

Captured Moments from This Past Week... Legion of Honor Presentations

The Legion of Honor recognition is a very prestigious award given to dedicated Kiwanis members who have served 25 or more years of service! This past week our club was especially fortunate to provide this recognition for a husband-and-wife team, Robert and Judy Munger. The certificate and pin are a way for Kiwanis International and its clubs to show appreciation for dedicated members who have contributed to the organization's mission of serving communities. Our club is particularly appreciative of the energy and enthusiasm these long-time Kiwanis members have brought to our program, here in Tigard. Their regular attendance at meetings, participation on the club Board, knowledge of Kiwanis policies and ideas for new projects, (not to mention new members brought into the club), has provided a much-appreciated boost to our club's program.

Congratulations to Judy Munger who was recognized at the Wednesday meeting for her 25 years of outstanding service to Kiwanis.

Bob Munger was also recognized with a Legion of Honor Award. In his case, he has been an active member of Kiwanis for 35 years!

of note*

- A lot went on this last week, and it all deserves at least a short re-cap! We owe a **BIG** thanks to Bill for the hours of work he put into refurbishing the two benches at the park in downtown Tigard. Here are some "during... and after" pictures of the benches!

Bill commented that he put about 10 hours into the project. It involved replacing some boards, as well as sanding and painting the ones that were still in decent shape.

He also thoroughly cleaned the metal Kiwanis logos that make up the legs of the benches.

- On Saturday evening we held the club social/potluck. The weather was perfect for an outdoor event. As always, there were a lot of wonderful food choices. George recognized a few of the members for their contributions to the club, and everyone had a good time. He gave out gifts, including this Kiwanis cap that went to Robin, who is our newest club member. Below are two pictures from the event. As you can see, we were even able to spend a little time relaxing around the campfire pit!

- On Sunday morning there were 9 of us representing the Kiwanis Club of Tigard at the Mt. Hood Kiwanis Camp Walk, Roll and Stroll. Even though it rained heavily, we performed our duties as "course monitors". Then, we enjoyed a great lunch, the camaraderie of being together, and a wonderful program provided by the MHKC Staff. Here are a few pictures to showcase the morning's activities.

Yes, this woman walked in the pouring rain with her baby! Also pictured are Barb, Bill and Sheila, strolling the course after finishing their duties as course monitors. George helped serve lunch. And Chris won a golf bag in the raffle!

- That same day, the final Sunday Parkways event was held. It was a little different than the others we have joined over the course of this past summer. Because it was held in downtown Portland, participants had to be continually stopped at crosswalks. Our job was to use portable "Stop and Go" signs to direct the flow of traffic. We constantly had to be alert to potential hazards, including the regular arrival of trains coming down the tracks!

- At the September 18th Key Club meeting, 63 students worked on a "Random Acts of Kindness" service project. They decorated

clothespins with positive messages. Each student worked on five clothespins, which were then placed in a plastic bag and stored, for now. On November 6th, (KCI Random Acts of Kindness Day), they will distribute the clothespins around campus, pinning them to students they see. Those students will, in turn, pass the positive message on to someone else.

It's a fun project that really does bring laughter and good cheer to the entire campus!

- It was an interesting Back-to-School Night, (on September 18th), for our Kiwanis and Key Club members who "manned" a table to encourage the Sherwood Middle School students to join Builders Club. Unbeknownst to us, the administration went with a new program for the evening, allowing no time for parents and students to mingle near the tables, as was the case in the past. So.... it was pretty much a wasted 2 hours! At least we tried!

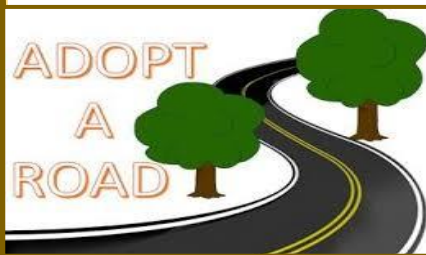

- Take a leisurely drive to Sherwood this Sunday afternoon and discover the sweet goodness of homemade desserts; and while you're at it, help support the Key Club program! The students decided to do this fundraiser to be able to afford supplies for some new service projects they are planning to do. Their Bake Sale is open from 2:00 to 5:00 p.m. in the parking lot of Kohl's, 15585 SW 12th St., Sherwood.

- The Key Club will be holding a club orientation on Friday, at school, during Flex time. Members will need to sign up to attend. The program will introduce members to the organization at all levels, showcasing international, district, division and club policies, goals and activities. Holding a club orientation is highly recommended by Key Club International, but this is the first time it has been done at Sherwood. As such, it is extra challenging, because the officers planning the event are creating something completely new!
- Between our Kiwanis Club and the Key Club, we have a large group of people planning to volunteer at the Beaverton Food Bank on Saturday, September 27th! There are currently 8 Kiwanis members and 10 Key Clubbers planning to show up at 9:00 a.m. at 1870 NW 173rd Ave., in Beaverton.
- **If you haven't yet paid your dues, please remember to take care of this by September 30th.** At this point, the only option for paying them is to mail the dues to Chris Anderson. His address is on the invoice that he emailed to you earlier this month. The dues are \$175. Anyone who hasn't paid dues by the first day of October will be taken off the club roster.

Dues Deadline Approaching

- The October 1st lunchtime meeting will be Jaclynn Anderson's first meeting to conduct as the 2025-26 Club President. We welcome her leadership and are excited to be starting a new year of service. Be at the Murrayhill Taphouse at 11:45 a.m.
- If you haven't yet put it on your calendar, mark off 10:00 a.m. on Saturday, October 4th for the Adopt-A-Road project, meeting at Sherwood Middle School. There will be Key Clubbers and Builders Clubbers there to help. This is one of those rare K-Family projects, where we are joined by both of our SLPs, (Student Leadership Programs). We will pick up trash on the street fronting the school, as well as on the campus.

- Also on October 4th is an opportunity to assist the Tigard community with the annual El Tigre Festival. El Tigre Fest is Tigard's annual Hispanic Heritage Month celebration, honoring Latino culture, Filipino History Month, music, food, and community. This free, family-friendly festival brings together the heart of Tigard for a full day of connection, celebration, and cultural pride. The City of Tigard is looking for volunteers to help at this event.

- On Sunday, October 5th, a crew of Tigard members will be working at the Tigard Farmers Market. In addition to the Plinko Game to find out which of our charities the community supports, and general membership recruitment that we've done at the previous two markets, several Key Clubbers will be joining us to do face painting. They will have a table set up next to us. They will be asking for donations to the Ronald McDonald House Charities.
