

In tribute for those who by their actions have become heroes in our lives, the Kiwanis Club of East Fork Region presents Fields of Honor® 2026. The Kiwanis Club of East Fork Region's Fields of Honor® flag display is a gift to the community made possible through donations, dedications and the efforts of many volunteers. You can show your support and gratitude by dedicating a flag, making a donation, or doing both. The displays of American Flags in the East Fork Region of Clermont County will fly during November offer these tributes. The days surrounding Veterans Day are the appropriate time to honor members of our armed forces, veterans, first responders and others. Individuals have the opportunity for individuals to dedicate flags in honor of those family members, friends, and neighbors who have served, sacrificed, or are serving for the good of our nation and our community.

East Fork Region's Fields of Honor® display of U.S. Flags will bring volunteers, residents and visitors together as flags are posted at four eastern Clermont County locations.

This inspiring and memorable panorama of red, white, and blue is hard to describe, but once experienced it is not to be forgotten.

Individual flags may be dedicated through a donation of \$ 40.00 or more. Donors have the opportunity to provide information about the individual being honored and a specific flag will be identified as such.

Please honor the commitment of so many by being an event partner.

Please join us with your family and friends to walk among the flags in this moving tribute to our heroes.

Your company can help us in Honoring Those Who Serve

2026
