**Kiwanis International:
110 Years of Service**

Kiwanis International is a global organization of volunteers dedicated to changing the world, one child and one community at a time. Kiwanians are volunteers from all around the world, helping out through service to children and communities.

Kiwanis members help shelter the homeless, feed the hungry, mentor the disadvantaged, and care for the sick. They develop youth as leaders, build playgrounds, raise funds for pediatric research, and much more.

No problem is too big or too small. Why? Because working together, members from all around the world achieve what one person cannot accomplish alone. Please join us in making a difference in our community.

When you give a child a chance to learn, experience, dream, and succeed, great things happen. Being a member of Kiwanis International means you will be part of an organization with a membership of over 260,000 adult Kiwanians in 8,000+ clubs located in 96 countries.

In addition, you will be working alongside 320,000+ youth members that are part of our family of Service Leadership Programs (SLPs) that include:

- K-Kids at Grammar Schools,
- Builders Clubs at Middle Schools,
- Key Clubs at High Schools,
- Circle K Clubs at Colleges,
- Aktion Clubs for adults living with disabilities.

Holmdel Kiwanis sponsors SLP Clubs at many of our local schools including Key Clubs at Holmdel, Raritan, High Technology, Colts Neck, and St. John Vianney High Schools; Builders Club at Satz Middle School; and a Circle K Club at Brookdale Community College.

Come join us in making a difference in our community!
