

KIWANIS GARDENS NEWSLETTER

Updates:

Purple sprouting broccoli and spinach were harvested on Thursday by some great volunteers!

The beds at the Westside Gardens are prepped for transplanting!

We will fill these beds with snow peas, lettuce heads, and cabbages.

The potatoes were planted at the Capitol Campus!

We are going to plant the rest of them this week.

Volunteer Days

There is an ambitious to-do list for this week and we could use as many hands in the field as possible! Tell your friends, your friends' friends, and help spread the word!

Tuesday:

Noon-3pm Westside Gardens

1335 Overhulse Rd NW

Harvesting spinach and purple sprouting broccoli, weeding in the greenhouse, staking out beds, some tilling, weed whacking

Saturday:

9am-noon at Capitol Campus

Planting potatoes, weeding

1pm-3pm Westside Gardens

3839 11th Ave Sw

Putting up pea trellises, weeding carrots, planting beets

Garden Needs

Tasks I would like to delegate to others who are interested:

-Backpack spraying (fertilizer)

-Helping with the weekly newsletter and volunteer outreach

-Irrigation helper

-Help developing the “adopt a crop” idea

If any of these tasks are of interest to you, please reach out and let me know!

Also, I wanted to put it out there that we have a plant sale coming up on June 7th. If anyone has tubers, seeds, or 4in pots to donate to this cause, it would be greatly appreciated!
