Vol. XLI No. 1

Membership

With the new year we start the second quarter of the 2021-2022 Kiwanis year. As we start to plan for this year's activities, fundraisers and events, all members should be thinking about how we can grow our club.

From the Kiwanis website:

"Members are the heartbeat of Kiwanis. Their passions fuel incredible projects that bring new hope to children and communities. Their work touches thousands of lives each year, helping future generations reach their full potential."

Every member needs to invite at least one person to a meeting. Check out the speaker list each month and look for a speaker that you think would be of interest to a friend. Let's grow the club!

Programs for this month:

Jan. 6th Jeff Harrington, "True Value Donation Program"

Jan. 13th Pat Patterson, "Building Inspections"

Jan. 20th Dr. Stan Hatesohl, "Geriatric Physician"
