

OUR HISTORY

In June 2008, Mrs. Beatrice Johnson donated 160 acres of land to the MO-Ark Kiwanis district for the purpose of creating a camp for kids. The following October the task force voted to name the camp "The Missouri-Arkansas Beatrice Johnson Kiwanis Youth Kamp" to honor the woman that made the camp possible. A 501©3 non-profit organization called the Missouri-Arkansas Beatrice Johnson Kiwanis Youth Kamp Foundation was formed on November 17, 2011. Chuck Raney, a member of the Fort Smith Commissary Kiwanis Club and the leader of the task force, was elected as the first president of the foundation board. The camp was formally dedicated on April 14, 2012.
